MAURICE - We're undefeatable! (to the tune of "Unbelievable") The way we play, we're undefeatable! (joined by others last line then special handshake)

JOHN - What a bunch of losers! We beat them 57-3.

CORY - That's because Moose thrashed their star quarterback!

MOOSE - HEY! It was his fault, he got in the way. I didn't mean to put him in the hospital.

JOHN - How is he anyway?

MOOSE - Nothing big, just three broken ribs, punc... punc... punc...busted lung and the most worst thing of all I tore his jersey.

(popular girls enter)

ANDREA - Did Brad call you last night? He told me he...

KRISTY - Yes, he called around nine. He said that...

ANDREA - I know, can you believe it...?

JUDY - Sharon and Mike?

ANDREA and KRISTY - YES!

MICHELLE - I still don't have any idea what you are talking about.

JUDY - Well, Brad said that Carly said that Ron, who is Brian's best friend, told her that Mike said that he and Sharon...

(BEEP)

(Judy continues talking through the announcements. Girls react with amazed looks.)

PRINCIPAL'S VOICE - Pardon the interruption for the following announcement. We have had an anonymous tip that the school will be burned later on today so please return all library books by the end of the day. Thank you and have a good morning.

(Cornelius enters, carrying an armload of books, wearing taped up glasses)

JOHN - Hey look it's the geek of the week.

CORNELIUS - I am a rubber you are the glue whatever you say bounces off me and sticks to you.

MOOSE - Why you little four-eyed twarp. I should rephrase your face!

JOHN - That's rearrange, rearrange his face.

MOOSE - Either way, it's gona hurt.

MAURICE - By the way, Cornerdius, where's my English assignment? **(leafing through his papers)**

CORNELIUS - I can't seem to find it.

MOOSE - This might be it. **(pulls out sheet from center, everything falls)**

CORY - Your're such a klutz. Can't you hold on to your books?

CORNELIUS - It wasn't my fault, the big lump did it. **(hands go over his head to protect himself)**

GIRLS - Ooooooh. You're asking for it. **(bell rings)**

MAURICE - Oh, here it is. My Life as an Orange" by Cornelius P. Husk. No, no, no that't not right. **(erases and writes)** That's better, by Maurice Johnson. **(hits Cornelius over the head with paper)** Thanks, Corn Husk.

MOOSE - I'll get you later. **(every except Cornelius exits. Wilhemina enters and helps Cornelius with his books)**

WILHELMINA - What happened THIS time?

CORNELIUS - Same as always. The old paper from the pile trick.

WILHELMINA - Don't mind them, they are egotistical jocks who are showing off for their girlfriends! Just wait until the Poetry Slam, we'll show them. **(he agrees)**

CORNELIUS - The cell is composed of a series of microscopic parts such as the nuclear membrane, the mitochondria, and the chromosomes, of which homo sapiens have 46. In the process of reproduction...(continue mouthing words, 24 hours pass, shown by the CLOCK and lights, students leave and enter class life goes on as usual. Janitor comes in and dusts nerd and cleans class.) In conclusion meiosis and mitosis are both forms of cell reproduction, however meiosis occurs only in egg and sperm cells and mitosish. occurs in all cells except egg and sperm cells. Right?
