### Scene 1

(The queen is sitting the throne, the princess is at her side and the maid is down scrubbing the floor.)

Maid : I wish you'd get rid of that dog, your missus-ship, or at least teach it to clean up after itself.

Queen : Hey, he licks up his own vomit.

Maid : Yeah But he doesn't scrub the carpet, does he?

Queen : Agh... I think you missed a spot.

Narrator: (Jules) Bleah... you guys are gross!

Queen : What's your problem?

Narrator: (to audience) Bleah...  
So how you guys doing tonight, everything OK.

Queen : Come on lets get the show on the road.

Narrator: Alright, alright! Here goes.  
Once upon a time  
long ago, not so far  
lived a queen and her daughter,  
not too bright, but oh so fair.

Queen : What do ya mean not too bright?

Narrator: Do ya mind.

Queen : OK.

Narrator: Now that queen and her daughter, or  
princess shall I say,  
lived in a majestic palace  
in Rigolet up the bay.

The princess she was bored  
one sunny summer noon  
doing what she always does  
just taking up room.

So to save her from her boredom  
the maid she did suggest  
that she stroll in yonder garden  
and breath the air so fresh.

Maid : (trying to scrub around the princess) Your always  
lying about, why don't ya get off your butt and  
get some exercise.

Princess: Sure I went to aerobics last month.

Maid : Oh my, you should be on body break.

Queen : Will you two give it up. You're always at each other, why don't both of you go for a walk and let me have some peace for a while.

Maid : Well, I'd just love to but I'm a little to busy.

Princess: Well, I guess some fresh air would be nice.

Queen : Yes I suppose it would, I don't think you've been outside for a week.

Princess: Ok, I'll go stretch my legs.

Maid : I'd love to join you but I've got to many chores to do. Always picking up after you two, washing clothes, fixing meals. You'd swear I was a maid or something.

Queen & : You are a maid.  
Princess

Maid : Yeah so, what's your point?

Queen : What do ya mean what's my point, that is my point you moron. arghhhh...

## Scene 2

(Princess is strolling in the garden, she gets a little carried away and begins to skip and finally falls down attempting a cartwheel)

Narrator: So stroll the princess did (princess brushes off)  
(Jules) and she breathed the air so fresh (takes deep breath)  
but little did she know  
she would meet unwanted guests.

Icky and his partner Slimey  
the grease balls in our play  
were out to make some ransom money  
by taking her away.

Princess: Take me away!!!

Narrator: Princess!! You're not suppose to hear me I'm the narrator.

Narrator: Yes, well I'm also the famous undercover cop Jules Sly, but you're not suppose to know that until the next scene.

Princess: Neither were the audience Jules.

Narrator: Opps...(to audience) pretend you didn't hear that.  
(to princess) and you pretend I'm not here.

Princess: Ok.

Narrator: Now where was I...oh yeah  
Icky and his partner Slimey  
the grease balls in our play  
were out to make some ransom money  
by taking her away.

(Icky and Slimey sneak up behind the princess with  
a rope but she turns and catches them in the act)

Princess: Who are you?

Icky : Er...well princess I'm Icky and this is my partner  
Slimey.

Slimey : We're the grease balls in our play. At least if you  
believe that narrator.

Narrator: Would I lie to you?

P, I & S: Yes!

Narrator: Forget I asked that.

Princess: Well it's a pleasure to meet you Mr. Icky and  
Mr. Slimey. Now may I ask what are you doing on  
royal property?

Icky & : (Icky and Slimey hang their heads and hide the rope  
Slimey behind their backs) Uh...nothing.

Princess: Nothing huh? Then what were you planning to do with  
all that rope?

Icky & : Nothing...  
Slimey

Princess: Come on, I want the truth.

Slimey : Well princess, Icky and I planned to kidnap you.

Icky : (motions to Slimey to keep quiet and then says to  
princess) We're sorry princess, we didn't mean any harm.

Princess: Kidnap me! Gee, I've never been kidnapped before. What's it like? What'll I wear? Will it take long? I'm due back for dinner in an hour.

Icky : Oh uh...it's a blast princess and we'll have you back in lots of time for dinner.

Slimey : Yeah it's loads of fun, you get to skip off school and play cards all day.

Princess: Play cards all day...wow...the queen never lets me play cards at home.

Queen : That's cause you always lose.

P, I & S: You're not in this scene.

Princess: Get off the stage!

Queen : Sorry!

Princess: Very well Mr. Icky, Mr. Slimey, it all sounds like fun to me.

Icky : Good.

Slimey : Don't mind if we tie you up first, do you princess?  
(holds up the rope)

Princess: Tie me up? (a little worried)

Slimey : It's just that it's part of the plan.

Princess: Well if it's part of the plan I guess it's all right.  
By the way why are you wearing sunglasses?

Icky : Ahhh never mind, it's not important (puts his arm around the princess while Slimey begins to tie her up, they all start walking offstage) You see princess, you'll love being kidnapped.

Slimey : Yeah princess it's a blast.

### Scene 3

(Back at the palace)

Narrator: And so off went those rotten villains  
(Queen) after telling all their lies  
into the deep woods of Rigolet  
with the princess as their prize.

And meanwhile back at the palace  
the queen was quite irate for

the princess had missed her dinner  
and the time was very late.

(Maid is still scrubbin, queen is reading)

Maid : I swear your missus-ship, I'm going to shoot that dog.

Queen : Oh knock it off will you.

Maid : The bloody mutt doesn't stop.

Queen : And you don't stop complaining.

Maid : Arghhh...

Queen : (reads a little more then looks at her watch)  
Where the heck is she, she should've been here hours ago.

Maid : Well maybe she enjoyed her walk and decided to go far.

Queen : My daughter... enjoy exercise... you losing your  
marbles?

Maid : Well it's possible...

Queen : (interrupting the maid) Yeah right and it's possible that  
cauliflower might grow out of my head.

Maid : You shouldn't say things like that... you never know  
when something like that might just happen.

Queen : Yeah... get the royal phone I'm calling the  
cops. (on the phone) Yeah lieutenant, my daughter went  
for a walk and I expected her back over an hour ago...  
what do ya mean "so what". You get some under cover cops  
over here right away... what do ya mean it'll have to  
wait until tomorrow. do you know who this is buddy?  
This is the queen you're talking to.

Maid : (interrupting the phone conversation) Excuse me your  
missus-ship, the under cover cops have arrived.

Queen : (to the audience) Heh... I just love doing that  
"this is the queen you're talking to" routine. (to  
maid) Show them in.

Maid : This way please.

(Jules and Jake come running in pointing guns at the  
queen)

J & Jake: FREEZE!!!

Jules : You're under arrest.

Jake : You have the right to remain silent.

Jules : You have the right to take-out pizza.

Jake : You have the right to cable T.V.

Queen : (jumps up on throne shouting) You boobs, you idiots do you know who I am! Do you know who I am! I'm the queen you twits. I'm the queen!!!

Jake : Gee man... don't have a cow.

Queen : Don't have a cow! Don't have a cow! Who is this knuckle-head. What planet did you just come from huh? I'm the queen bucko and if I want to have a cow I'm bloody well gonna have a cow.

Maid : (the maid enters with a cow) The royal cow your missus-ship.

Queen : Thank-you. (we hear a "mooo" from off stage the queen looks at the cow) Shut up you.

Jake : (now very scared) We're sorry... we're very sorry your missus-ship. It won't happen again.

Queen : It better not.

Jules : Ahhh... your missus-ship, allow me to introduce ourselves. I'm secrete agent Jules Sly.

Queen : Some secrete.

Jake : And I'm agent Jake Stone. (Jake puts his hand out to shake the queen's hand)

Queen : Grrrrr...(growls at Jake)

Jules : Ahhh...your missus-ship we understand the princess is missing.

Queen : Yes that's right mr. Slow.

Jules : Ahhh...That's Sly your missus-ship.

Queen : That's what you think.

Jake : Any idea where she went missing your missus-ship.

Queen : Yeah Mr. Meathead.

Jake : Uh...that's Stone your missus-ship.

Queen : Ok Mr. Stonehead, my daughter went for a stroll in the yonder garden to breath the air so fresh.

Jules : (to Jake) Sounds like a good place to start Jake. (to the queen) We'll get on it right away, your missus-ship.

Queen : Oh and Mr. Slow and Stonehead?

J & Jake: Yes your missus-ship?

Queen : Why are you clowns wearing sun glasses indoors.

Jules & J: Ahhh...well ahhh.. it's in the script ok.

Queen : (to audience) Nincompoops!

#### Scene 4

(Icky and Slimey are sitting around a camp fire playing cards. The princess is tied and gagged. Icky and Slimey often swat flies and the princess is squirming around a lot.)

Narrator: Now back in the woods of Rigolet  
(Maid) In the bad-guys hideaway  
Icky, Slimey were playing cards  
to pass the time away.

The princess had now realized  
that something wasn't right  
and was hoping to be rescued  
before she lost her life.

Icky : Heh, five aces ... I win again. (he slaps the cards down)

Slimey : Ah gee how come you always win.

Icky : I cheat.

Slimey : Ohhhh... that's why.

Icky : (squats another fly) Man the flies are maggoty.

Slimey : Yeah I know.

Icky : Come on, we gotta get busy with our ransom note.

Slimey : My guess is the queen is freaking out.

Icky : Now Slimey, write this down. Dear Queen, if you'd like to see the princess alive again send 10 dollars in loonies to the kidnappers' hideout. Care of Icky and Slimey.

Slimey : Don't forget G.S.T.

Icky : Oh yeah, plus G.S.T. And if you don't it's bye princess. Love icky and Slimey. Ok, you got that Slimey?

Slimey : Ahh... how do ya spell queen?

Icky : It begins with a K don't it.

Slimey : I thought it began with a C.

Icky : Don't matter, Hey I wonder why the princess is doing so much squirming around.

Slimey : I don't know, let's find out. (he pulls down the princess's gag)

Princess: Will you twits give me some fly dope.

Icky & S: Sorry!

#### Scene 5

(Jake and Jules are searching for clues with large magnifying glasses, the bump into each other)

Narrator: Now back in yonder garden  
(Queen) Jake and Jules had a job to do,  
they searched for useful evidence  
but neither had a clue.

Narrator: But then Jules looked very closely  
she saw footprints in the grass  
and she turned to Mr. Stone and said

Jules : "Yippee a clue at last." (finishing the rhyme)

(Jake and Jules both look very closely)

Jules : Look Jake, footprints.

Jake : Yeah lots of them.

Jules : Looks like we got a clue.

Jake : Unhuh...

Jules : The princess must have met up with some other characters in the play.

Jake : Ahh Jules...

Jules : Yeah Jake?

Jake : What do ya, mean "other characters in the play?..."What play?

Jules : Your kidding around aren't ya? (stops and looks at Jake)

Jake : I don't think so.

Jules : You do know this is a play... don't you?

Jake : Of course I know it's a play... I mean now I know it's a play.

Jules : Good grief! (shaking her head)

Jake : Uh Jules?

Jules : Yes Jake.

Jake : Are all those people watching us, the audience?

Jules : yes Jake, they're the audience.

Jake : (to audience) Wow... what a relief... I was wondering what you guys were doing here.

Jules : (looking at the foot prints) Maybe it's that Icky and Slimey.

Jake : Yeah I remember them from our rehearsals.

Jules : couple of real grease balls, I wouldn't be surprised if they kidnapped the princess.

Jake : Yeah I never did trust them.

Jules : I guess we better follow these foot prints, they probably lead to their hideout.

Jake : You mean just like in our rehearsals.

Jules : Why don't you just give away the whole story!

Jake : Sorry.

## Scene 6

(Back at the hideout the princess is untied and playing cards with Icky and Slimey.)

Narrator: So off went the able officers  
(Maid) searching for their foe  
who were hiding in the deep woods

where officers dare not go.

And meanwhile back in the hideout  
the cards were being dealt  
and the princess held a winning hand  
thus adding to her wealth

Slimey : Ahh Man, I ain't got nothing.

Icky : Heh... well I got five aces again.

Princess: Not so fast icky, I got six aces. (shows her hand)

Icky : Ahh shucks... Come on whose deal is it?

Slimey : Hey Icky, did you hear that?

Icky : Hear what?

Slimey : There it goes again.

Icky : (whispers) Someone's out there in the bushes.

Slimey : Who's is it. Who's out there.

Icky : (Puts his hand over Slimey's mouth.) Don't yell you  
boob, they's hear us.

Slimey : Who can it be?

Icky : It must be the cops. What'll we do? What'll we do?  
If they catch us they'll put us in jail. I know, we'll  
disguise the princess. ( Icky and Slimey dress the  
princess in disguise.)

Slimey : There now the cops will never recognize her.

Princess: How do I look?

Icky : boy princess you're real ugly.

Princess: You really think so?

Icky : Yeah, you wanna go out Saturday?

Slimey : ICKY... She's our prisoner.

(Jake and Jules walk on.)

Jules : So this is where your hideout is, hey Icky?

Icky : Well look who it is, the police. What brings you out  
this way officers?

Jake : Didn't ya read the script, Icky?

Slimey : Hey, I remember you guys from rehearsals.  
(everyone shakes their heads)

Jules : (to Jake) You two must be related are ya?

Jake & S: No I don't think so.

Jules : Never mind...Icky we think that the princess has been kidnapped and you're responsible.

Jake : We have a warrant to search the place, just like on T.V.

Icky : May I see that warrant?

Jules : (Jules and Jake look at each other and whisper they say to Icky) Well ahhh... we don't really have a warrant.  
  
(Icky, Slimey, and the princess laugh)

Jake : Well if ;you don't let us search the place I'm gonna get real angry.

Icky : (very scared) Ok man... relax... everything's cool... no need to get angry... go ahead and search the place  
(to the others) You wouldn't like him when he's angry.

Jules & : (Jules and Jake look around with their magnifying glasses  
Jake they stop at the princess and look at her very carefully)  
Hmmm...who can this be?

Jake : I don't remember her from our rehearsals.

Jules : Ugh... couldn't be the princess... too gross looking.  
(the two look some more) Well Icky, looks like your clean.

Icky : That's because I shaved today.

Jake : But don't leave town. We may not be finished with you yet. (they walk to the door to leave but stop at the door to watch the narrator)

Jules : Come on Jake lets split the scene.

Narrator: Now the two cops they were stumped  
(Maid) and about to split the scene  
it seemed that Icky and his gang  
were very clean.

Slimey : Who is that?

Jake : I dunno people just keeps jumping on saying stuff.

Narrator: Do ya mind? I'm the narrator!

Slimey : (to Jules) I thought you were the narrator.

Jules : No I'm Jules Sly the famous cop.

Jake : I thought the queen was narrator.

Icky : Then who's the queen?

Narrator: Will you knock it off.

All : SORRY!!!

Narrator: (to the audience) Sorry about that. Ok, where was I?  
So the cops were about to split the scene  
Icky thought his plan a cinch  
when like outta no where in  
barged a prince.

Prince : (Prince the musician jumps in singing) "Purple rain  
purple rain I only want to see you standing in the purple  
rain"

Narrator: (to everyone) No... not Prince the musician... a  
prince... as in prince charming...as in the frog  
prince... geesh. Do ya think ya can handle that?

Prince : SORRY!!!

Narrator: Arghhh...  
So Icky thought his plan a cinch  
the cops were about to split  
when in walked a real live prince  
OR ELSE...JUST LIKE THIS!!!

(The narrator walks over to the group and puts on the  
squire costume.)

Squire : Announcing...his royal...ahhh...why is everyone  
wearing sunglasses?

All : It's in the script ok!!!

Jules : Where's yours?

Squire : Here they are. (puts on sun glasses) Ok...  
announcing... his royal highness... the real prince  
highness.

Prince : (holding up a hip rubber) Whoever fits this slipper  
shall be my bride.

Jules : Good grief!

Prince : Yuck... what a icky bunch.

Icky : Hey!

Prince : There can't possibly be a princess in this lot.  
(to squire) And why are they all wearing sunglasses?

All : It's in the script, ok.

Prince : Oh... I guess I better put some on. There.  
Come on squire, let's get out of here.

Squire : Not so fast my lord (giggling) you did swear to try  
the slipper on every woman in Labrador.

Prince : Yes but the slipper will only fit a real princess.

Jules : What's that prince? The boot will only fit a real  
princess. Hmmmmmm...

Squire : Come my lord (still giggling) lets start trying on  
the slipper.

Prince : Oh... do I have to?

Squire : I'm afraid so my lord. (still giggling)

Prince : Oh all right. Who'll be first?

Sl & Pr : Me...

(The Prince tries the boot on Slimey but it doesn't  
fit.)

Prince : See it doesn't fit, now let's go.

Squire : Uh, there's still a lady left my lord.

Prince : Ugh... That's no lady.

Squire : Close enough my lord.

(princess tries on the boot and it fits)

Squire : Well... looks like we have a fit, my lord.

Prince : No... it's... it's much too big look how sloppy  
it is.

Slimey : It looks fine to me.

Icky : (waving to Slimey to keep quiet) I agree prince... it's  
much too big

Princess: (up walking around) No...fits just right.

Prince : No... Don't be silly. It's much too big.

Squire : I think there's going to be a wedding. (teasing the  
prince)

(Squire, Slimey and Jake start singing the wedding  
march which drowns out the prince)

S, S & J: Dum te dum... dum te dum...dum te dum...

(The princess is walking around looking at the slipper  
and begins following the prince. He keeps trying to get  
away from her.)

Prince : It doesn't fit! It's too big!

Princess: Oh my prince... Oh my husband.

Prince : Get her away from me.

Princess: Now don't play hard to get.

Prince : Helpppp...

(Slimey, Jake and the squire keep singing and laughing  
for a while. When things quiet down a little Icky tries  
to sneak off stage)

Jules : Just a minute Icky (puts his hand on Icky's shoulder)  
You and I are going to take a trip down to the station.

Narrator: So that kind of wraps up this tale  
(Jake) with plenty of loose ends  
it seems that where we've left off  
we could begin again.

The prince he was true to his word  
and the princess he did wed  
However, when he walked the aisle  
his pants were made of lead.

So we hope you have enjoyed our show and we thank you for  
not leaving and if you'd clap with us now it would be  
very pleasing. Thank-you.
