Scene 1

(D L curtain down)

Marrissa (take at audience):

Once upon a time, when I was a little girl, I used to be free like you and could do anything I wanted, so I used to sing. Would you like to hear one of my songs?
(song "Don't Cry Out Loud")

But then when I grew up I met an evil Snow Queen. She had disguised her ice palace to look like a circus and when I went to visit the circus she trapped me and I couldn't sing anymore.

Here is the story of two children who came to the circus just like I did.

(curtain rises)

Scene 2

Snow Queen: Hello boys and girls, I'm the evil Snow Queen.

Welcome to my ice palace that I disguised to look like a circus. Once upon a time I had a family but no one in my family loved each other. We grew to be very cold. A troll heard about my family whose hearts were filled with hatred and came to live with us. My family's hearts were so cold that they turned to ice and they died from being so unhappy. But the troll saved me when I was just a little girl and taught me magic spells. With my spells I controlled many things, but like my family my heart was so cold that I turned to ice too and became a snow princess. One day, the troll taught me too many magic spells and with my magic I imprisoned the troll. I made myself into a snow queen but I was lonely, so I turned the troll into a court jester - a joker to tell jokes for my pleasure. Because the jester's heart was frozen too, she could only tell terrible jokes.

Joker: What do you call a cooked pizza? Yummy!!

Snow Queen: Then I decided I wanted humans to keep me company but the ones I visited all froze to death when I touched them, so I invented a magic wand out of an icicle. Then I could freeze people when I wanted to be alone, and melt them when I was lonely. Everyone liked circuses long, long ago, so I disguised my ice palace

to look like a circus. Innocent boys and girls came to see my pretend circus. I needed to find people to work for me who enjoyed being bossed around. It was very hard to find these people so I used my magic ice crystal to lure unwilling people into my pretend circus where I would freeze them and use them for whatever I wanted. They only became unfrozen when I wanted more people to join the circus, and I used them to lure unsuspecting children. One day two very innocent looking children sneaked in to watch my pretend practice. I wanted them both to become mine so I could control them and they would obey my every command. Just like all my other circus people and animals.

Marrissa:(take to audience)

Look! Here come two more innocent people. The Snow Queen will try and trick them - But they're only kids!

Scene 3

Kay: Come on, in this way!

Gerda: I don't think we should go in there, it's cold.

Kay: Why not? It'll be fun. I've never been to a circus before. WOW! Look at all this great neat stuff!
Come on, sit down and watch the rehearsal.

Snow Queen:(to joker)
Here come two children now. Get them for me!

Joker: I'll get them but you'd better hide.

Gerda: Okay.

Marrissa:(take to audience)
The joker's going to try and trick them up on stage,
but we'll try to scare them.

Joker:(to magician)
Introduce me!

Marrissa:(take to audience)
She's the evil joker, I have to do whatever she says.

Marrissa: Ladies and gentlemen, boys and girls, children of all ages, welcome to the circus! My name is Marrissa and I will be your mistress of ceremonies for this evening. Now, for our first act, introducing Jester the Joker!

Joker: Okay boys and girls, I've got a joke for you all. Why did the golfer wear two pairs of pants?

Gerda & Kay:Why?

Joker: Because he had a hole in one!!
Okay, now I will do my juggling act.
(throws hanky to Kay)

Joker: Oops! I dropped my handkerchief. Can you pass it to me
 little boy?

Kay: Sure! Here you go!
 (throws hanky back)

Joker: Thanks.(dissapointed)
 And now our lovely mistress of ceremonies will come
 up and introduce our lion tamer.

Marrissa: Now ladies and gentlemen, introducing Tamara the lion
 tamer and her lion Leo!

Marrissa:(looking at pink mouse)
 That's not a lion!

Tamara: Lion, mouse what's the difference? This is my lion
 Leo. He is a very friendly lion unless you get him
 mad. So don't ever get him mad. Would anyone like to
 come up and see Leo?

Kay: I do, I do, I do!!!

Gerda: NO! Stay here!

Kay: Why?

Gerda: Look at his fangs!!

Kay: He won't bite me, don't worry about it.

Gerda: Don't go up there.

Kay: Okay.

Tamara: Now Leo will jump through the hoop. Jump! (lion
 doesn't move) JUMP! (lion rolls over on Tamara)
 Run! He might get loose!!!

Marrissa: Now introducing our one piece band, Samantha the saxophone player!

Samantha: One, two, three, four(plays)

Kay: I want to see that saxophone. Please.

Gerda: Will you sit down!

Samantha: Would any of you kiddies like to play my nice shiny sax?

Kay: I DO! I DO!

Gerda: Don't go up there, there might be poison on it.

Kay: But it looks okay.

Gerda: Stay here!

Samantha: There's lots of nice shiny buttons to push.
(Samantha is hauled off stage)

Marrissa: Now introducing Rubella the robber girl!
(to audience) Rubella will scare them away for sure!

Rubella: Hi. I'm nobody and I'm lonely. Hey! I know what you
Could do. You could help me clean the stage with a
toothbrush and then we could brush our teeth
afterwards with it and um... um...

(Rubella is pulled off stage)

Kay: I'm starting to get scared. Let's leave!

Marrissa: And now for a magic show!

Kay: MAGIC?!

Marrissa: For my first trick I will pull a rabbit out of my
hat. TA DA!

Kay: What's that sign say on the rabbit? " Get out" ?

Marrissa: Poof! It's gone. Now little boy, how about I pull a quarter out of your ear?

Gerda: No!

Kay: I need the money!

(Kay starts to go up, Gerda hauls him back and joker takes hold of his other arm)

Joker: Come on Kay, I know you want to, you love being on stage, that's why you're here isn't it!

Gerda: No! No! Don't go!

(joker hauls Kay onto the stage)

Snow Queen: I've got them now. Start the magic chant so I can freeze and imprison them.

Snow Queen & Joker: Whether the weather is cold -

Snow Queen: Help me or you'll never feel warmth again!

All: Whether the weather is cold, or whether the weather is hot, we'll be together whatever the weather, whether you like it or not!

(Kay is frozen)

Tamara: RUN!!

Snow Queen: It's too late, we've got them both. Wait! The girl is getting away!

(gives wand to Joker who leaves it on box)

Snow Queen: Get that girl and bring her to me, while I complete the spell to freeze him totally.

(Snow Queen exits with Kay)

Kay: Eeek I'm frozen!

(Joker runs after Gerda)

Samantha: Well I've got the magic ice crystal that can freeze you!

Rubella: Try it and I'll step on it!

Marrissa: I'll turn you into a...a...

Rubella: A what? A Rabbit?!

Marrissa: Something.

Rubella: I'm going to step on it!

Samantha: No don't!

Marrissa: Give her the magic ice crystal.

Samantha: Put down my saxophone first.

(Rubella puts down sax and takes ice crystal)

Marrissa: You're going to be in a lot of trouble when the Snow Queen finds out! There won't be anything left to identify you by when she's finished with you!

Rubella: Who's gonna tell? If anybody tells on me, they're history!

Marrissa: Be careful with that thing, you might freeze me by mistake!

Samantha: Yeah, you know she's going to find out sooner or later.

Rubella: Close your eyes and count to ten. And no peeking!

Marrissa: Fine! Be like that. Just don't involve us in it.

(they count, Rubella hides wand)

Scene 4

Tamara: Oh no, they got Kay!

Marrissa: For the first time both the Snow Queen and the Joker are gone. And the Snow Queen left her magic ice crystal.

(Marrissa takes magic ice crystal)

Tamara: Is somebody going to let me out? I got locked in.

Samantha: Quiet!

Tamara: Let's run away!

Samantha: We can't run dummy because we're under the Snow Queen's spell, remember?

Marrissa:(take to audience)
This is the Snow Queen's magic ice crystal. If I can figure out how to work it maybe we can be free.

Rubella: I wanted the magic ice crystal. The Snow Queen's a mean old witch, I'll freeze her.

Marrissa: You can't freeze her, she's already frozen and her heart is made of ice.

Rubella: Well, I'll freeze the Joker then.

Samantha: You can't. The Joker's a troll and it only works on humans.

Rubella: Well, I want it!

Marrissa: NO!

(Rubella chases Marrissa, marrissa throws it to Samantha, Rubella takes saxophone)

Rubella: I've got your saxophone.

Scene 5a

(Gerda runs in)

Gerda: What will I do? The evil Jester is after me!

Samantha: So?

Gerda: You have to help me find Kay.

Tamara: Well hide.

Marrissa: And when you get a chance to sneak up and talk to us,

Samantha: We will give you some clues.

(Gerda hides behind lion cage)

(Joker runs in)

Joker: Okay, where is she?

Rubella: Who?

Joker: The girl, I know she's here.

Samantha: We didn't see anyone.

Rubella: Psst! Jester, the magician stole the magic ice crystal.

(D R)

Joker: You did what!?

Marrissa:(take to audience)

Watch me fool the joker while Gerda goes around and gets some clues.

Marrissa: Maybe I stole the magic ice crystal.

Joker: Did you find it over there?

Marrissa: Maybe, is it that important?

Joker: Put it this way, I need it.

Marrissa: Put it this way, I need it too.

Joker: Okay, so you really want it.

Marrissa: Will you do something mean and nasty if you don't get it back?

Joker: I won't, but the Snow Queen will!

Scene 5 b

(D L)

Gerda: Will you help me find Kay?

Tamara: If you're careful I'll do it today. First you have to find the Snow Queen out, what do you want to find out?

Gerda: Where the Snow Queen is without a doubt.

Tamara: It's not very hard, you just have to find a way.

Gerda: Could you help me find him right away?

Tamara: I guess I'll have to try.

Gerda: This better not be a lie!

Tamara: First you have to get to the ice palace, then overcome all of the Snow Queen's powers.

Gerda: Does she live in the crystal towers?

Scene 5 c

(D R)

Joker: Do you want this rabbit to live or die?

Marrissa: That's Buster!

Joker: Is he important to you? Will it be the magic ice crystal or Buster?

Marrissa: I know where it is, it's just that I was curious.

Joker: About what?

Marrissa: About the magical powers that the ice crystal has.

Joker: Well your curiosity may kill Buster!
Marrissa: You wouldn't!
Joker: Ever try rabbit stew?
Marrissa: No, you wouldn't!
Joker: His time's a ticking.
Marrissa: Put him down and I'll tell you.
Joker: Tell me, and then I'll put him down.
Marrissa: There's more Busters where that one came from!
Joker: You've got five seconds or your bunny's stew!
5 - 4 - 3 - 2 - 1 - 0

Scene 5 d

(D L)

Gerda: Why can't you tell me where Kay is?
Tamara: It could be very dangerous.
Gerda: I know you know where to find him.
Tamara: The secret is something like a ball.
Gerda: How is it you can answer my call?
Tamara: I shall be very silent in giving you clues.
Gerda: Why can't you tell me you're giving me the blues.
Tamara: It's the Jester you see, she may kill me!
Gerda: What if you told me then you could flee.
Tamara: That's my problem, it's not that easy.
Gerda: What would happen if I asked the Jester?
Tamara: You wouldn't get much out of her.
Gerda: The Jester can't help me, but I know you can -
what's this here buried in the sand? It looks like a
map of another land.

Scene 5 e

(D R)

Joker: The bugger bit me!

Marrissa: Go Buster, go!

Joker: Now you've got no bunny.

Marrissa: And you've got no magic ice crystal!

Joker: I've got you.

Marrissa: I've got you too!

Joker: But you're here for life!

Marrissa: Well, I guess time's on my side!

Joker: Not for long!

(Joker pulls out knife and holds to Marrissa's
throat)

Joker: Where is it?

Marrissa: I'm thinking, I just didn't want to get in trouble.

Joker: Well, you are now!

Marrissa: Okay, Samantha has it.

Joker: Let's take a walk and visit Samantha.

Samantha: Well, maybe they did.

Marrissa: Maybe they landed in the lion cage. Why don't you go look.

Joker: Okay.

(jester exits, Samantha and Marrissa laugh as they hold up glasses)

Scene 5 f

(D R)

Gerda: Hey, what's this?

Rubella: Put that down!

Gerda: Well, tell me what it is first.

Rubella: It's a magic ice crystal.

Gerda: I want it.

Rubella: Well, it could be of some use to you.

Gerda: I played cards with you so you should give me the magic ice crystal.

Rubella: Alright, on one condition.

Gerda: I'll do anything.

Rubella: Do you promise to be a true friend forever?

Gerda: Okay, I promise.

Rubella & Gerda:
Cross my heart hope to die stick a finger in my eye.

Rubella: Pinky swear?

Gerda: Pinky swear.

(Rubella spits on finger and then joins hers with Gerda's)

Gerda: You're gross!

Rubella: Okay have it.

(Gerda walks up center)

Scene 5 f

(D L)

Tamara: This is a very special map, that will help you on your way. And if you are so lucky, it will lead you right to Kay. You must pay close attention, to the road on which you'll go, because there is a secret on the map to the place of snow. This map is easy to follow, and if you get it done, just follow the lines and you will find that two places become one. If you get caught by the Snow Queen, she will ice you vein by vein, she will make you stay just like me, magician, and your friend Kay.

Scene 6 a

(U C)

Joker: Well?

Samantha: Well what?

Joker: Well, where is it?

Samantha: Where's what?

Joker: Did you take it or not?

Samantha: Take what? Are you saying I took something, are you calling me a thief?

Joker: She said you took it.(pointing at Marrissa)

Samantha: You said I took it?(talking to Marrissa)

Joker: Does she know what she took?(to Marrissa)

Samantha: Hey, I didn't take the ice crystal for nothing! -
Ooops!!

Joker: Ah Ha!

Samantha: I meant nice crystal, yeah, the Snow Queen's nice
crystal candy dish.

Joker:(turning to Marrissa)
What is she talking about?

(Samantha takes feather boa and ties joker up)

Samantha: We've got you now!

Joker: I'm allergic to feathers!!!(sneezing)

Marrissa:(take to audience)
Now that we've got the evil Jester tied up, maybe
Gerda can get some more clues.

Scene 6 b

(D R)

Gerda: Can you help me get from here to here?
Rubella: I'm too busy stealing.
Gerda: I don't understand the map, I need help.
Rubella: What will you give me?
Gerda: I'll be your friend.
Rubella: A real friend?
Gerda: Yeah.
Rubella: No.
Gerda: Well, I guess you can play by yourself!
Rubella: Well, cards are no fun by themselves.
Gerda: You don't have to play by yourself.
Rubella: Oh alright, I'll give it a try.

Scene 6 c

(U C)

Joker: Is this a test?
Marrissa: Of what?
Joker: To see how long I can sit here before I go mad. I
Didn't tie you up, I just threatened you with a
knife. I'm supposed to be in control here.
Marrissa:(take to audience)
I guess we'd better untie her so that Gerda can come
and get clues from us.
Marrissa: Well, you do have a point.
(unties Joker, Joker taps out blues beat and
encourages Samantha to do it)

Song:

Joker: Gonna tell you a story,

Marrissa: It's really sad.

Joker: It's about a Jester

Marrissa: And a girl named Marrissa.

Joker: Sing me the blues little Marrissa,

Marrissa: All life long.

Joker: Sing me the blues little Marrissa,

Marrissa: All life long.

Marrissa: Gonna tell you my story, here's how it goes,
I came for a job and I ended up froze.
I'm trapped like you little Jester, all life long,
I'm getting cold little Jester, all life long.

Joker: Gonna ask you a question, please listen to me,
I need the crystal or the Queen's gonna kill me.
Give me the crystal Marrissa, I need it more than
you. Give me the crystal Samantha, if Marrissa does
refuse.

Scene 6 d

(D R)

Gerda: You won again.

Rubella: It's no fun playing against a loser.

Gerda: Well, I won a couple of times.

Rubella: Ooops! Here's the cards I sat on.

Gerda: You cheated!.

Rubella: No, they just fell down. You wanna be my friend? Come on and help me steal.

(Gerda helps her steal)

Rubella: So you really wanna be my friend?

Gerda: Yeah.

Rubella: Well here's some cigarettes and a lighter to light them with.

Gerda: But I don't smoke, I'm only ten. Besides, I thought you said you were going to help me.

Rubella: I already have helped you, you just don't know it yet. Come on quick let's hide this stuff.

Scene 6 e

(U C)

Joker: Give me the magic ice crystal! The Snow Queen's going to be really mad at me, and lock me in a room and I won't be able to tell jokes anymore!!

Samantha: Forget it!

Joker: I know where it is! It's in the sax!(Joker looks in sax) Hey! It ate my glasses! I'm going to take your sax!

Samantha: Wait, I'll toot your glasses out.

Marrissa:(take to audience)
I'm the one who really has her glasses, but we'll make her think they're in the lion cage so that Gerda can come and get some more clues.

Samantha: (honk) I still don't see them.

Joker: Are you sure they didn't come out? If you don't tell me where you're hiding the magic ice crystal, I'll tell the Snow Queen.

Scene 7 a

(U C)

Marrissa: Look look look! She has the magic ice crystal!

Samantha: Do you know how to use it?

Gerda: No.

Marrissa:(take to audience)
If we can get her to use it, she can trick the Snow
Queen and the she could free us.

Samantha: It's scary!

Marrissa: You wouldn't use it would you?

Gerda: I might.

Marrissa: Is that a cat!

Samantha: Look over there!

Gerda: You can't trick me. I know you can help me, so help
or else!

Marrissa: Well, if you put it that way, you won't blast me will
you?

Gerda: I might.

Marrissa: What will I get out of this?

Gerda: If you don't - I'll freeze you!

Marrissa: Here take some money.

Gerda: What do I need money for?

Marrissa: It's magic money, you'll see.

Scene 7 b

(D L)

Tamara: What are you looking for?

Joker: My glasses.

Tamara: Well, they're definitely not here. I know everything
about my cage.

Joker: Then you might know something about the ice crystal.

Tamara: The what?

Joker: Okay, maybe you don't know anything about the magic ice crystal, but they did say that you had my glasses.

Tamara: Well, they must have lied. Are you gonna let me out or what?

Joker: I don't know.

Tamara: Well if you want me to help you look for your glasses, you're going to have to let me out.

Joker: Okay, you're out. Now help me look for my glasses.

Tamara: Okay.

(they look around cage, Tamara pushes Jester into cage and slams the door, Jester starts yelling)

Scene 7 c

(U C)

Gerda: Don't come too close!!

Samantha: It's very dangerous, do you know what it is?

Gerda: Yeah! Sure!

Marrissa: We know why you're here.

Gerda: So, do you have any clues?

Samantha: You have to ask first.

Gerda: Well, what can you do for me?(Samantha gives her a feather) A feather? What am I supposed to do with a feather?

Samantha: You'll see, just wait. But don't be afraid.

Gerda: But I am afraid, there are so many things to be afraid of.

Samantha: Like the Snow Queen? Get out of here while you can.
Gerda: But I need to know what to do with theses things.
Marrissa: Well first of all, magic money has powers unknown to most people, keep that in mind.
Samantha: Just remember, birds of a feather flock together.
Gerda: Okay, thanks.
Samantha: Wait. Here's Jester's glasses, you can use them against her on your way.

(C C)

Marrissa:(to audience)

What were the four clues that Gerda got on her trip
around the circus?

(audience participation required)

As long as Gerda can escape with these clues, she
will be able to free us - Unless the Jester gets free
to cause trouble.

Scene 8

(Snow Queen enters alone)

Joker: Hey! Snow Queen! Are you going to let me out?

Snow Queen: What are you doing in there?

Joker: She locked me in!

Snow Queen: You shouldn't be in there anyways.

Joker: But it wasn't my fault!

Snow Queen: Too bad! Ha! Ha! Ha!

(Snow Queen hauls Rubella up from lying on floor sleeping, Rubella jumps)

Rubella: I was just cleaning the floor, yeah, that's all.

Snow Queen: Get up and do some real work!

Joker: Hello! Snow Queen, are you going to let me out?

Snow Queen: No.

(Snow Queen spots Gerda)

Gerda: Don't come any closer, I've got the magic ice crystal!

Snow Queen: You can't freeze me! I'm the Snow Queen.

Gerda: Well, I'll break it then! I will!

Snow Queen: Don't break it! Please don't break it!

Gerda: Don't come any closer!

(Snow Queen lets Joker out of cage)

Joker: Well, it's about time!

Marrissa: Come on, let's help her!

(Gerda accidentally freezes everyone)

Gerda: What have I done? You weren't supposed to get in the way!

(Gerda runs)

Snow Queen: Ha! She froze them just like I wanted to do! Go get her, get my magic ice crystal. Make sure she finds her way back here, and by the way, don't forget to get your glasses!

(Joker exits)

(Snow Queen begins to mold her characters)

Scene 9 a

(actors in the audience begin their journey)

Joker: Okay, I've got to go find Gerda, make sure she gets back to the Snow Queen's ice palace, and if she gets there the Snow Queen will freeze her. No, no. I've got to go find Gerda, and my glasses, and make sure she gets to the Snow Queen's palace, but I can't tell her because she might get suspicious and WHEN she gets there the Snow Queen will freeze her!(repeat)
(Joker sees Gerda)

Joker: AH HA! There she is!
Gerda, Gerda, you're so innocent and pure.
You're on a quest in which I must ensure.

Scene 9 b

(Snow Queen still moulding characters. Music plays, time passes)

Scene 9 c

(actors in audience still on journey)

Joker: The number I speak, is the number your sentences
shall repeat.

And to confuse your mind some more, the number of
words you think are four!

Gerda: Something sounds funny here.

Joker: I didn't do anything.

Gerda: I don't believe you!

Joker: It's the Snow Queen.

Gerda: How do you know?

Joker: She's hexed us again.

Gerda: But she's not here.

Joker: Just count your words.

Gerda: One... two...three...four.

Joker: See only four words!

Gerda: Let's say what we

Joker: just said all over.

(repeat)

Gerda: You're hexing me hey?

Joker: I wouldn't do that.

Gerda: Snow Queen's not here.

Joker: What are you saying?

Gerda: Who else could it -

(Gerda runs)

Scene 9 d

(The Queen is still moulding her characters)

Scene 9 e

(actors in audience)

Joker: The rhyming game is very keen,
Maybe this spell will drive her to the Queen!

Joker: Hey come back!

Gerda: Give me some slack Jack!

Joker: What are you talking about?

Gerda: You're chasing me no doubt. Leave me alone.

Joker: But on your way you're certain to get thrown.

Gerda: How do I know this isn't a trick?

Joker: I think it's starting to click. You don't want me
around anymore.

Gerda: No I don't, you're becoming a sore. Now we're talking
in rhyme, this is something for which I don't have
time.

Joker: Okay fine, I confess. I have started the hex.

Gerda: If you hex me once more, I'll destroy these glasses
which you adore.

Joker: Where did you find them? I thought they were lost.

Gerda: Stop the hex or you'll pay with great cost. I'll
squash these glasses into the ground.

Joker: Stop making me out to be a clown!

Gerda: Look your glasses are over there!

(Gerda tosses glasses and trips Joker)

Gerda: I finally got her out of my hair!

Okay, let's see if I got this right. I started at the circus, I've been going around in circles, so I guess the ice palace is the circus. Now only if I could find it. There it is!

Scene 10

Snow Queen: Ha! Control at last!

Gerda: Kay?

Kay: Is that you?

Gerda: Kay!

Snow Queen: Hey little girl, there's a place right here for you.

Tamara: Excellent job gerda, you found out that the circus is really the ice palace.

Samantha: Remember Gerda, birds of a feather, flock together.

Gerda: What am I supposed to do?

Rubella: Light the candles and melt us!

Marrissa: Distract her by burning some money!

Snow Queen: Don't light that little girl. You really wouldn't want to light that.

(Gerda lights the money)

Snow Queen: I can't see! I'm melting!

Everyone: Yay!

(Joker returns)

Joker: Okay, freeze! What have you done with the Snow Queen?

Tamara: She's right there!

Samantha: Thirsty?
