SCENE 1

(The host tries to get out through the curtains and finally gets out. He's dressed up in some funny looking pants and his coat is too small for him.)

Host: Hi! I'm John Doe as you all know. I'm one of the Doe boys and a former member of the Apple Dumpling gang. I'll be hosting the show for you tonight. I just flew in from Toronto and I never seen such a small town before. The trees are beautiful and there are so many open spaces I get dizzy from going in circles to look around. (Tries to think of something else to say) We're going to find out more about Labrador tonight because we're going to be interviewing some very important people.

Oh - my goodness - the caribou around here, in Davis Inlet; they went right through the town.

(When the host starts talking about caribou, the caribou start walking back and forth behind the host. The host looks back at the caribou and then looks at the audience.)

Do people actually eat these animals? What do they do with the antlers? (starts laughing) Come off it! I'm not that dumb!

We'll be back after these messages.

SCENE 2

Commercial

(Two women in a store and one woman is shopping.)

1st woman - Kate: (looks at the woman shopping) What are you doing?

2nd woman - Allison: I'm shopping.

1st woman - Kate: No you're not!

2nd woman - Allison: Yes I am, duh. (rolls her eyes)

1st woman - Kate: Well, if you're not shopping Target, you're just not shopping!!

2nd woman - Allison: (looks confused) Oh!! (Drops the bag of goods)
I'm glad you told me!

They both freeze as the spotlight switches to the host.

SCENE 3

(Host introduces a low level flyer)

Host: We're back, and stronger than ever (flexes his muscles).
Ahem, well I won't make you drool any longer. The show is starting now if you didn't notice and I've found a low level flyer willing to give us an interview. (Cups hand over ear)
- I can't hear him yet! (as he steps towards the side of the stage. A jet flies over and a flyer jumps from the wing off the stage)

Flyer - Andy: (confident) I'm HERE! (picks off tree branches from his arms) Oh, sorry about that.

Host: So is the noise in the plane as loud as it is outside?

(Flyer tries to speak but a jet flies over and you can't hear the flyer but can see him trying to explain it.)

Host: Okay, I guess I understand. How do you fly?

Flyer - Andy: Splendidly! (pause)

Host: No! (laughs hard)
How do you fly your jet thing?

(Flyer tries to speak but another jet flies over and you can't hear the flyer.)

Host: Thank-you Mr. Flyer person. (The jets keep flying overhead and its so loud that they can no longer carry on the interview. The host shrugs his shoulders and throws up his hands. He sort of forces the flyer off of the stage - through the side curtain... The jet noise gradually fades)

SCENE 4

(A man is sitting at a bench in a park with a holy newspaper - he looks at girls that pass. Song "I'm a girl watcher" plays in the background)

(a girl walks by and notices that the guy is staring at her)

Guy - Curtis: Hey! I like your jeans, where'd you get 'em?

1st girl - Catherine: Thank-you, JC Penney
(another girl passes by and notices also)

Guy - Curtis: Hey, I love that shirt!

2nd Girl - Nadine: Thanks!

Guy - Curtis: Where'd you get it?

2nd Girl - Nadine: JC Penney of course.
(another girl walks by and the same thing happens)

Guy - Curtis: Yo - I love those shoes!

3rd Girl - Gill: Thank-you very much.

Guy - Curtis: Where'd you get 'em?

3rd Girl - Gill: JC Penney, duh!

JC Penney - Danielle: (runs out) Hi, I'm JC Penney. Did anyone see my clothes?

SCENE 5

Commercial

(two people are sitting on a couch talking)

1st person - Jennifer: What do you feel like tonight?

2nd person - Stephanie: I feel like chicken tonight. (theme song plays and he acts like a chicken.)

1st person - Jennifer: You feel like a chicken?

2nd person - Stephanie: No, I feel like chicken tonight (takes out a chicken tonight bottle) Ohhhh!

(both start dancing like chickens while the music is playing.)

SCENE 6

An interview with a Labrador Cook.

(Host and a person are starting to order at a restaurant)

Cook - Janice: (with an accent) May I take your order?!

Person - Michael: What's today's special?

Cook - Janice: Fresh Newfoundland cod fish imported from Spain with a side dish of brewis!

Host: The cod has to be imported from Spain?

Cook - Janice: Well, of course. Where else would you get it from?

SCENE 7

(The host interviews a person who just came over the Freedom Road and he's full of mud)

Host: Here's another interview and it's gonna be with this fellow walking down the isle.
(the person walks up on stage. He's all beat out)

Host: Why are you so dirty, what happened?

Person - Joey: (angrily) The road happened!

Host: What do you means?

Person - Joey: I mean, it's not a road, it's bunches of sand connected together!

My truck got stuck and I couldn't get her out. I'm beat out so bad - I had to walk here for the interview!

Host: Calm down! I guess. I don't need to interview you now because you told me everything.

Person - Joey: What! No interview! You mean I came all this way just to tell John Doe a couple of sentences. (runs off the stage screaming)

Host: I guess that's the end of the interview. He brought half the road with him. (brushing the dust off of him)

SCENE 8

Ending

Host: Goodbye from Goose Bay, Quebec. (people throw shoes at him)
I mean - Goose Bay, NEWFOUNDLAND!

People: bawl out -- LABRADOR!!!

Host: Okay, Goose Bay, labrador!

(John Doe runs off the stage)

EVERYBODY COMES OUT AND BOWS!!!
