SCENE 1

Wendy: Dan, I really enjoyed the movies over the weekend. Titanic, The Wizard of Oz, Grease, Gone With The Wind, and A Few Good Men. *(Pause)* No, I don’t think I’ll go out tonight. *(Pause)* Yeah, I’m really tired. I think I’ll go to bed. See you in the morning. Good night.

(She goes to bed. Lights fade.....sound effects. Dreaming.)

SCENE 2

(Ocean sound effect “Titanic”. Wendy wakes up on the boat. She feels sick. She runs to the side of the boat. She is leaning over the side where Dandy is sitting. He thinks she is going to jump. He tries to pull her back.)

Wendy: Leave me alone, you crazy fool.

Dandy: Crazy!! With all do respect, Miss, I’m not the one hanging over the side of the ship.

Wendy: I am just really, really sick. I have to go back to my cabin to lie down.

Dandy: Why don’t I walk you back to your cabin?

Wendy: No. I’ll be fine.

Dandy: Maybe I’ll see you later.

(Dandy is on deck, sketching. Wendy walks out.)

Dandy: How are you feeling?

Wendy: Better now. Thanks.

(Someone comes out with a big heart between them. Music and getting to know each other scene.)

Wendy: I really enjoyed today!

Dandy: It's not over yet. Come with me. I have to show you something.

(Ship's Bow)

Dandy: Close your eyes.

(Wendy is reluctant.)

Dandy: Trust me.

Wendy: I trust you.

(She moves forward.)

Dandy: Open your eyes.

Wendy: *(amazed)* I'm flying!!

(Music. At the end of the music they step down.)

Wendy: I just had the best day of my life. I don't want it to end.

Dandy: It's not! It's just the beginning!

(Lights go down.)

SCENE 3

(Wendy and Willow are at the school.)

Willow: Wendy?

Wendy: Yes?

Willow: I'm Willow and this is my friend Robin.

(Robin and Wendy exchange hellos.)

Willow: My mom told me your parents just got transferred here from Goose Bay to work at the clinic instead of Lewisport. How do you like it here?

Wendy: It's Ok. But I like Goose High better.

Willow: Did you have a boyfriend in Goose Bay?

Wendy: No, but I met a really cute boy on the Bond. For some reason he never said goodbye.

Willow: Well, things like that happen. But don't dwell on it because I think you'll have a really good time here.

Wendy: I hope so.

Willow: Come on, we're going to little Everest where you'll meet the boys.

SCENE 4

(At another part of school, Dandy, Jay and Goose are wearing parkas with the Snow Birds on the back and talking.)

Jay: Dandy, you never did tell us what happened this summer. You don't go out anymore. We're really worried about you.

Dandy: It's none of your business. Why do you have to be so nosey?

Goose: We're going to little Everest tonight and your are coming with us.

Dandy: I'll go but I'm not going to be much fun.

SCENE 5

(Little Everest. January. Boys are coming off of the hill fast and nearly bang into the girls. Wendy is surprised to see Dandy.)

Wendy: Dandy, what are you doing here? What happened to you this summer? Why didn't you say goodbye on the Bond?

Dandy: I didn't want to disturb you and I thought it would be better than having to say goodbye.

(Friends gather around Wendy and Dandy.)

Willow: What happened, Wendy? Tell us!!

Goose: Come on, Dandy. Tell us!

**Jay
and Robin:** Tell us the truth!

**Wendy
and Dandy:** The truth. You can't handle the truth!

(Song "Summer Nights". Friends move away from Dandy and Wendy.)

Wendy: Dandy, I can't believe you never said goodbye!

Dandy: I'm sorry, but my friends were waiting for me at the dock.

Wendy: That's no excuse.

Dandy: Well, you know I got to be cool.

(Wendy storms off. Robin and Willow chase her.)

SCENE 6

(Wendy is at home with Robin and Willow, going through her closet.)

Wendy: Oh my, what am I going to wear to the Easter Fair?

Willow: Look at all of that clothes in your closet and you've got nothing to wear.

Robin: I wish I had lots of clothes like you.

Wendy: But not the right clothes for the dance.

Willow: Who are you trying to impress?

Robin: I bet it's Dandy, ain't it?

(Wendy turns her back and is quiet.)

Willow: How are things going with you two, anyway?

Wendy: I still can't believe he just left. I thought I meant more than that. But, anyway, I don't want to talk about it. Back to my dress for the dance.

Robin: What kind of dress would you like Dandy to see you in?

Willow: Dandy likes blue.

Wendy: *(looking out the window)* But I don't have a blue dress.

Robin

and Willow: *(pull blue curtains off of the window.)* Here, wear this!!

SCENE 7

Dandy: *(loudly and just as music stops)* What a nice dress!!

(Everyone turns to look at him. End of dance.)

Announcer: The annual ski doo races are about to begin.

(Dandy grabs Wendy.)

Dandy: Come on! You're riding with me.

(Everyone leaves.)

SCENE 8

(Snowmobile races. Dandy and Wendy, Jay and Robin and Goose and Willow are paired up on the machines. Music from "Grease" while racing. Everyone crowds around saying "Wendy, Wendy wake up!" Lights go down-up-Wendy is in her bed mumbling, "There's no place like home. There's no place like home.....")

Dan: *(Shaking her)* Wendy, wake up. You've slept in!

Wendy: Oh Dan, what a dream I just had.

Dan: Your parents just said you're moving to Lewisport!
