**“Mission Impossible” by TV Theme Song**

## **“THE TWINS”**

### **SCENE 1**

*(It is one day before school. It's in a staff room in a school called “Peace and Truth”, with a couch, table and chairs.)*

**Principal:** Attention please, staff members. We have almost all of our teachers for our school but we need one more teacher for the grade 6's. Do any of you have any questions or comments?

**Vice Principal:** Oh yes, of course, I do. I know these twins and they have taught before and they'd be wonderful for the job!

**Principal:** Really?

**Vice Principal:** Oh yes!!!

**Principal:** Okay then, they are hired!

### **SCENE 2**

*(In the hall on the first day of school. Kids are walking by.)*

**Twin 1:** Come on. Let's go find our classroom we're teaching in or we are going to be late!

**Twin 2:** Hey, we nearly forgot to take one of those pills that high school drop-out gave us!

**Twin 1:** Oh yeah. Come one, let's have one!

**Twin 2:** Alright. You go first. My turn!

**Twin 1:** Hey, man, we're cool.

**Twin 2:** Hey, man, we're great!

**Twin 1:** Hey, man, we're the best teachers.

**Twin 2:** Oh yeah!

**Twin 1:** Oh yeah!  
**Twin 2:** Come on. Let's go!

### **SCENE 3**

*(In a classroom with lots of kids and a desk with two chairs.)*

**Twin 2:** Hey, man, this must be our classroom!  
**Twin 1:** Man, it must be.  
**Twin 2:** Man, look at all dah stupid kids!  
**Twin 1:** Yeah, man!  
**Twin 2:** Let's go sit down, man.  
**Twin 1:** Hey. Guys. Whatcha wanna do?  
**Student 1:** I don't want to do anything!  
**Student 2:** I want to draw!  
**Student 3:** I want to talk to my friend over there!  
**Student 4:** I want to, too!  
**Twin 2:** Okay then, man. Do whatever you want!  
**All Students:** Yeah!!!!  
**Student 5:** You're the best teacher ever!!

*(Lots of noise)*

### **SCENE 4**

*(In the music room with chairs and recorders.)*

**Music Teacher:** Guys, settle down. *(Kids keep talking, then it becomes quiet.)* Thank you.

Now, for recorder, I hope everybody remembers what I taught them last year. *(Students groan)* To begin, I would like you to play “Hot Cross Buns” for me.

**Student 3:** Guys, lets show her how well we can play!

**Music Teacher:** Thank you! *(Kids start blowing into their recorders)* Guys, give it up!!

*(The bell rings)*

**All Students:** Yeah, more fun with our home room teachers!

**Twin 1:** Hey, guys. Come on, let’s go.

**Twin 2:** Time to go do nothin’.

### SCENE 5

*(Principal’s office.)*

**Music Teacher:** There’s something weird going on about the Twins’ class.

**Principal:** Oh, is there?

**Music Teacher:** Yes, I just want you to keep close tabs on them!

**Principal:** Okay. As you wish.

**Twin 1:** Hey, man, whatcha doin’?

*(Twin 2 knocks Principal over.)*

**Principal:** *(Getting up)* Nothing much!

*(Twins run out, laughing.)*

### SCENE 6

*(In the hall.)*

**Music Teacher:** I wonder why the Twins are so happy when they teach that class and I’m

so depressed when I teach that class. Too bad I have them next period.

*(Music Teacher goes and checks in one of the Twins' coat pockets to see if anything is in them. She finds some pills and eats one. She looks at the name of them. It says T.B.K.W.L.Y.)*

**Music Teacher:** Mmmm, I wonder what it stands for, man? Hey, I got a cool class for music now, dude!

### SCENE 7

*(Music room)*

**Music Teacher:** Do whatever you want, man.

**All Students:** *(Murmuring)* This is weird.

**Music Teacher:** Oh my goodness! What happened to me? *(to herself)* It must have been those pills!!

### SCENE 8

*(Staff room, after school.)*

**Music Teacher:** I know what's wrong with the Twins.

**Principal:** What happened?

**Music Teacher:** Well, they were taking some pills. I have the bottle right here. It says T.B.K.W.L.Y and I think it stands for "Think Because King Willy Loves You."

**Vice Principal:** No, no!! It definitely can't be that. It must be "Try Beauty Kurls With Lovely You."

**Gym Teacher:** No! I think it stands for "Teach Better Kids Will Love You." I read an article about this stuff. It's a dangerous drug. It makes you go really weird.

**Vice Principal:** No kidding!

**Principal:** This is really serious. We have to do something about it.

**Twin 2:** Sorry for disturbing you but I'm missing some pills.

**Twin 1:** Have you seen them?

**Principal:** Yes, I have the pills and I think you guys are in deep trouble.

**Twins 1&2:** Why? What did we do?

**Gym Teacher:** Have you guys been taking these pills?

**Vice Principal:** They weren't taking those pills. They don't do drugs. I hired them!!

**Twin 1:** Ah, ah, ah.....

**Twin 2:** But we were! We got them from a high school drop-out.

**Twin 1:** He gave them to us.

**Principal:** Ahem. Well, I don't think that was such a good idea. You guys are in serious trouble. These drugs changed your personalities.

**Twins 1&2:** But we didn't know. We just wanted to teach better.

**Vice Principal:** Oh, please don't be too hard on them. They'll promise never to take them again. They'll get help.

**Twin 1:** Oh yes. Dump the pills out right now.

**Twin 2:** We didn't know they were so bad.

## SCENE 9

*(In the classroom)*

**Twin 1:** We have an announcement to make.

**Student 1:** Is it time for doing nothing?

**Twin 2:** No, it's something really serious. It's about the pills we were taking.

**Student 2:** *(Gasp)* You were taking pills?

**Twin 1:** Yes, the pills were called “Teach Better , Kids Will Love You”

**Twin 2:** You love us, right?

**Students:** Ya. Ya. Yes. Yes. Yes.

**Twin 1:** Well, it was a drug.

**Twin 2:** And a bad drug.

**Students:** Oh my goodness, why would you do such a thing? We still like you without drugs. What did you think the pills would do to you?

**Twin 1:** We thought it would help us correct homework faster.

**Twin 2:** And help us be smarter when a kid asks us a question we don’t know.

**Twin 1:** We didn’t know it would change the way we act.

**Twin 2:** We wanted to tell you that we are never going to take them again.

**Student 4:** That means that you’re not going to be any fun anymore!

**Twins:** Time for gym guys!

### **SCENE 10**

*(In the gym)*

**Gym Teacher:** Hey dudes! It’s time to do nothing! Go get whatever you want. Man!

**Students:** Oh no! What’s going on?

*(Black out)*

**The End**
