Sherrie: Does anyone have any money for the weekend?

(Girl's comment and shake their heads.)

Heather: Yeah, well, what are we supposed to do this weekend then, not like we can go to the youth center.

Morgan: That's the thing, there's nothing to do around this shit hole anymore. At least when the youth center was open we had somewhere to go for an hour or so...

Kellie: Hey you guys... if the youth center is closed, then there's definitely no one there... right?

(Girls nod in agreement!)

Kellie: Well... does anyone know how to pick a lock?

Sherrie: Duh... ever since mom found those joints in my room, she doesn't trust me with the house key anymore so, I pick the lock most every night to get back in.

Kellie: Perfect! Let's see if they have any money left there.

Scene 2

Setting: Stage dark. All at door picking at the lock.

Kellie: Hurry the hell up before someone catches us here!

Sherrie: Hey, I got it, I'm in!

(Girls whisper and squeal. Hear rummaging through change)

Morgan: Guys all I can find is change!

Kellie: Well grab it and LET'S GO!

Heather: Holy shit! I hear someone, hurry up!

Sherrie: Shh.... shh you guys, someone's coming! (whispers)

(Girls' throw a coat over the money in piles on the sidewalk)

(Michelle & Lucy enter)

(Kellie and the girl's start talking to them)

Heather: Too good to talk to us or wha??

(Michelle & Lucy freeze)

Michelle: (Stuttering) Are you talking to us?

Heather: No, I'm talking to the wall behind you. (Smiles broadly)

Morgan: (Whispers to Heather) What are you doing?! They're losers!

Kellie: Shhh... it's funny.

(Michelle & Lucy debate the situation, and end up going over)

Kellie: Do you girls smoke dope?

Lucy: Well... not...

(Michelle cuts her off and nudges her)

Michelle: Yeah, all the time. Haven't really been able to get any lately though.

Kellie: Hey Sher, pass the joint down to them!

Lucy: I think I'll pass.

Michelle: Don't be such a square Luce!

(Girl's giggle)

(Lucy takes the joint hesitantly, smokes some and coughs. Lucy hands the joint to Michelle, she smokes some and also coughs)

Heather: (Looks at watch) Seriously! (Runs off stage)

Kellie: (Says to Michelle & Lucy) Well... I guess we'll see you guys tomorrow at school, bye!

(All girl's proceed with some type of good-bye. "In crowd" exits, leaving Michelle and Lucy alone.)

Heather: Ahhh Kell, you still got him wrapped around your finger after all this time!

(Girls laughed)

Kellie: What can I say, I drive a hard bargain!

Michelle: Well I guess tonight won't suck too much after all.

Kellie: Yah, about tonight...Where are we gonna meet up to?

Morgan: Hey Heather, didn't I hear your parents say that they were going out tonight...?

(Michelle butts in before Heather can answer)

Michelle: Lucy's parents are gone to the cabin for the weekend. We could go there.

(Lucy gives Michelle a surprised looked)

Lucy: I dunno! Mom told me not to have anyone in while they were gone.

Kellie: Well the extra is my doing, so I'm having half. I think you should give our host the rest, what do ya say girls?

(Girls all nod. Kellie gives Lucy the pill)

Lucy: I don't know if I should take this.

Michelle: Come on Luce, it's only gonna give you a better high.

Kellie: Well, I'm offering, it's yours if you want it. Anyone else would be glad to take it.

Morgan: I'll take it Kell, if she doesn't want it.

(Girls proceed towards the exit once more. Most still very hyper. Michelle still doesn't go with them)

Heather: (Very happy) Come on Michelle, we'll go find you a man for tonight!

(Michelle hesitates)

Kellie: So you really are a loser huh? Come on girls, lets leave these two losers alone and go have some real fun!
