Scene One:

Lights come up. Study period in school. Scene is split between a classroom and school corridor. Nikki and other girls are in the classroom sitting in desks working on an assignment. Josh and Billy are hanging out in the school corridor talking about last night's party.

BILLY: Dude, still seeing Sarah?

JOSH: Nah finished with her, got what I wanted.

BILLY: When did you ditch her?

JOSH: Last night after the party.

BILLY: Man, you looked pretty close at that party. She was all over you like a banana peel!

JOSH: Yah, man. I thought she'd be hot but turned out I didn't have to work hard to get her.

BILLY: That easy? Geez! You think maybe I could get with her now?

JOSH: One soft kiss, one glass of bubbly, and a little touch here and there. . . she melts apart for ya! Try her out!

BILLY: Hey b'y! So, who are you gonna go for next?

JOSH: Well, (thumbs over his shoulder) you see the girls in the classroom there? Check out that nice little mint in the corner.

(Billy looks into the classroom at Nikki)

BILLY: Who? Nikki?

JOSH: Yah that's her! Oh yah, I've been watchin' her for a while . . . ever since she moved here.

BILLY: (skeptically) I dunno . . . she might have a boyfriend.

JOSH: If she do it's time for her to meet someone better! One night with me and any boyfriend she has will be history.

BILLY: And just how are you gonna get her?

JOSH: Just watch and learn, amateur.

(Josh and Billy enter the classroom. Billy leans against the door frame as Josh swaggers over to where Nikki and the other girls are sitting. Nikki looks at Josh hesitantly as he pulls up a chair and sits beside her. The other girls look on whispering and giggling with each other.)

JOSH: Hello beautiful.

(Josh takes Nikki's hand as if to kiss it. Nikki, looking disgusted, draws her hand back and wipes it on the leg of her jeans.)

NIKKI: (with disgust) Oh, God, please! I was working!

JOSH: Yeah? (leans in close to look at Nikki's work) what are you working at?

NIKKI: (pushing Josh away) Not you! I have to get this done. Please leave. (starts working)

JOSH: (still leaning in a bit close) You wanna go out later?

NIKKI: Do you not get the message? GO A-WAY! (she starts at her work again)

JOSH: (getting up) You and me. Later. Call me. (makes motion of phone to his ear)

NIKKI: (not looking up) I'd rather not.

(Josh saunters back to Billy and the two of them go back out into the corridor. As they leave, the girls gather around Nikki and start whispering to her excitedly)

BILLY: (laughing) Well I learned a lot! You really made a big hit there!

JOSH: I've got her eating out of my hand.

BILLY: Hello? (taps Josh on the head) Anyone home? (Josh bats Billy's hand away) She didn't even give you a second look!

JOSH: It's all a part of the game.

BILLY: If it's a game you struck out, big time!

JOSH: No way, man! It's the female way.

BILLY: The female way?! What's the female way?

JOSH: It's all part of her act! She wants me. Anyone could tell.

BILLY: HA! That's not the way it looked from where I was standing!

JOSH: (putting his arm around Billy's shoulder) Let me tell you a secret my man: When her mouth says no, her eyes say yes.

BILLY: (pulling away from Josh's arm) Face it, Josh, man. She can't stand the sight of ya! She's not one bit interested!

JOSH: I know she wants me. She's just fighting it. All she needs is a little bit of . . . persuasion. Come on. I'll let you in on the McFarlane lessons of love!

Billy, shaking his head, exits with Josh. Lights fade to Black.

SCENE 2

(Spotlight on Josh sitting down writing at a desk/table. He is in a poetic mood. Josh's voice-over can be heard as he writes.)

JOSH VOICE-OVER:

I dream of you as a star shining brightly in the sky.
I look into your eyes and deeply I can see the passion flowing through.
As I float on a cloud passing by as if you never noticed.

I watch you everyday - in class and talking to your friends.
You move your mouth so gently and passionately.
As I look deep into your heart, you stare off into space.

Scene shifts to Nikki and the girls. As the girls read the letter over Nikki's shoulder, they act giggly and bubbly.)

NIKKI: (reading with smile on her face) . . . As I look deep into your heart, you stare off into space . . . (puts letter in lap and stare dreamily off)

DEE DEE: Ohh my Good! How sweet! (sighs) The most I ever got was silk flowers from pine-ridge cemetery.

NIKKI: (softly) I can't believe I just brushed him off so harshly . . .

DANIELLE: (shocked) Oh Please! How cheesy! That was so pathetic! That was supposed to win over a girl!? That won't win over a dog for God's sake!

NIKKI: Danielle, your just jealous! I know your man . . . he wouldn't even give you a perfume sample from a magazine!

DANIELLE: Whatever! You don't know what Josh McFarlaine is like! Sure, he comes on sweet with his gorgeous smile and fancy wheels his daddy bought him, but you just watch what you're at with him. He'll change pretty quick. (Hesitates, then softly) Believe me. I know.

NIKKI: You know what? Ever since I moved here, it has been pretty hard for me to meet new people. And now that a guy is finally interested in me, you can't stand it! Well, I can take care of myself!

DEE DEE: That's right Nikki, you tell her! She's just getting ticked off because Josh won't pay her attention anymore!

DANIELLE: Mind your own business Dee Dee! You don't know what it's like . . .

DEE DEE: Go on, Danielle, your just jealous. If Nikki wants him, she can have him. You've got no right to tell her what to do! Nikki, don't pay any attention to her.

DANIELLE: Josh McFarlene is nothing but a sleze! He's an absolute jerk! If he ever came near me again, I'd . . .

NIKKI: Look, I don't care what you think! Josh seems like a sweet guy and I think I'll go to the party with him tonight!.

DEE DEE: Oh yah! You go get him, girl!

DANIELLE: You know what? I don't even care! Do what you want! I'm not going to stick around and see it!

NIKKI: Whatever!

(Danielle storms out)

DEE DEE: Forget her! You've got more important things to think about now . . . like, what are you going to wear? Come on, I'll help you pick out some clothes!

(Nikki and Dee Dee exit talking and giggling excitedly)

Scene 3

The Robinson's Kitchen. Mr and Mrs. Robinson are sitting at the kitchen table having a cup of tea. There is a knock at the door and Mrs. Robinson gets up and answers it.

(Knock on the door)

MRS. ROBINSON: Oh! Hello! You must be Josh? You're the guy Nikki likes!

Josh struts in full of confidence

JOSH: That's me my dear! (Sizes Mrs. Robinson up) Well, I can certainly see where Nikki gets her great looks!

MRS. ROBINSON: (Embarrassed) Oh, my! How charming! You sit down at the table for a second. I'll go see if Nikki's ready yet (walks to the other doorway leading off of the kitchen and yells out) Nikki, honey, Josh is here!

NIKKI: (offstage) I'll be there in a minute!

Mrs. Robinson makes herself busy at the kitchen counter as Josh sits down at the table across from Mr. Robinson. Mr. Robinson leans back in his chair and eyes Josh suspiciously as Josh gives him a winning smile.

MR. ROBINSON: So! You're the young man that's talking my daughter out tonight.

JOSH: Yes, sir! We're going to have a great time tonight! But don't worry, she'll be fine with me!

MR. ROBINSON: I should hope so. Nikki is my only daughter, I know what a young fella usually has on his mind. (leans forward and stares straight at Josh) You just remember that tonight, okay?

JOSH: (still smiling) Oh, yes, sir! You've got nothing to worry about. I plan to have Nikki home by 12:00, Mr. Robinson. That's her curfew . . . right?

MR. ROBINSON: (coldly) It is. Even earlier is better. (still staring at Josh really hard)

MRS. ROBINSON: (returns from the counter with a plate full of cookies) Frank! Stop it! I'm sure Josh is a nice young man! Don't you remember what it was like to be young once? Pay no attention to him, Josh, he's just being overprotective. Here, have one of my cookies, I made them just this afternoon. (shoves a cookie in Josh's mouth)

JOSH: (with a mouthful of cookie) Er . . . Is Nikki ready yet? We had better get going.

(Nikki enters quickly from the side)

NIKKI: (Exasperated) Mom! You haven't been shoving those old oatmeal lumps down Josh's throat have you? Oh, God, Josh, I'm sorry! She does this every time my friends come over! I hope my family haven't scared you white.

MR. ROBINSON: Ah, Don't be foolish my dear! I just had a little man to man with your date here. (gets up from chair and walks over to Josh) Josh seems to be a fine young man. I hope you to have a good time. (reaches out, shakes Josh's hand and holds it firm) Josh, have fun at the party and remember what I said.

JOSH: (smile faltering and breaking Mr. Robinson's grip) It was nice meeting you, Mr. and Mrs. Robinson. Don't worry . . . Nikki is in very capable hands. (smile returns) Besides, my friend is having the party and his older brother is home from university (winks at Mrs. Robinson) he's a good chaperone! Come on, Nikki. Let's get going so we don't miss any of the, ah, excitement!

NIKKI: Bye Mom! Bye Dad! PLEASE don't wait up and make me feel weird!

(Nikki and Josh exit. Mr. And Mrs. Robinson are left standing in the kitchen looking out the door)

MRS. ROBINSON: My, that young man Josh is certainly handsome . . . I hope Nikki has a good time . . . she was so nervous about tonight. But I'm sure she'll do just fine.

MR. ROBINSON: (surprised) Oh, yes now! Listen to you! Wasn't it you who was just reminding me about being young once!?

MRS. ROBINSON: (giggles) Yes . . . But things have changed since we were that age. Nikki needs more freedom and Josh seems like a responsible young man.

MR. ROBINSON: (sighs heavily) I suppose so. It's not that I don't trust him . . . It's just that . . . I don't know . . . that smile . . . I just wanted to make clear how special Nikki is to us.

MRS. ROBINSON: Oh yes, Dad! I know what you are saying. (turns on music and goes over to Mr. Robinson) But she's gone out having a good time . . . What say we enjoy our time alone together . . . it doesn't happen all the time. (playfully shoves a cookie into his mouth and wraps her arms around him. They walk out of the kitchen together.)

END OF SCENE

SCENE 4

The Party. Loud music. Nikki and Josh are center stage. Others are around them dancing and drinking. There is a refreshment table off to one side covered with assorted drink containers (beer, soda bottles/cans, cups, etc.) and snack bowls. Music fades and the couples move apart. Boys to one side talking amongst themselves, girls to the other side doing the same. Nikki and Josh remain center stage.

NIKKI: (out of breath) This is great! (takes a sip from her cup)

JOSH: Yeah, it's a deadly party . . . (slyly) ah, how long do you want to stay?

NIKKI: Why!? What do you mean!? I thought we were having a great time!?

JOSH: Yeah . . . But I'd like to pick up where we were a little bit earlier (pulls Nikki toward him a little)

NIKKI: (smiling shyly) Yeah, okay, but I want to go and talk to the other girls for a bit, okay?

JOSH: (ponders) Yeah, okay. I'll just be over there with the rest of the guys.

(Nikki and Josh separate and go their respective sides of the stage. Girls gather around Nikki and start grilling her)

GIRL: Hey girl! You and Josh look pretty tight out there! You all set for the night? You packin' gum? Gloss? PROTECTION!?

(Girls all laugh)

NIKKI: God, Sara! It's only my first time out with him! I mean, It doesn't mean . . . well . . . you know what I mean! (puts head down and smiles embarrassingly)

DEE DEE: Ha Ha! That's right, girl! You go on playin' hard to get! Make him beg a little!

NIKKI: Come on, Dee Dee, You know I'm not like that! Besides, Josh and me are having a good time and I really like him. I don't want anything to ruin tonight!

GIRL: Well it looks like Josh is pretty stuck on you! You might be the one that finally tames him!

(Girls squeal and grab each other's arms and hands. They continue talking as the scene shifts to the guys)

JOSH: Well, b'ys, guess who's the man tonight, eh? ME! BOO YA!!

JAY: Yeah, sure, alright. I heard from Dee Dee that Nikki's dad raked you over the coals and gave Nikki the third degree about you. So my guess is that you'll be gettin' nuttin' from no one! (hat goes to one side)

BILLY: (laughs hysterically) BURRRN!!!

JOSH: Shut your mouth, lil' Bill! By the end of the night, we'll see who's got the grin on their face! You be lucky if you gets with the ol' lady upstairs!

JAY: What do you think Nikki is, a Big Mac Combo!? Look, man, you had better watch your step when it comes to Nikki. She's sweet and her dad can be pretty intense when it comes to his little girl.

JOSH: Yeah? Well tonight I'm gonna make sure that that little girl becomes a woman!

BILLY: Yeah, right! Like you know how to get the chicks to jump in the pillow slip with you!

JOSH: Jeeze, b'y! How can you be so thick? Who needs the technique when there is always help from my little powdery friend! (takes out a small baggie containing a small amount of powder and waves it in the boys' faces) All part of the Josh McFarlene Experience!

JAY: (horrified) Is that what I think is? (Josh smiles and nods) Whoa, man! That's goin' too far! I've heard enough from you . . . Only sick-os and pervs use that sort of thing!

JOSH: (puts baggie back in pocket) You calling me a sick-o? Listen, my method gets results! I'm a playa, and I got game!

JAY: (stare defiantly) Listen, if you go playin' like dat, then game over! (Pushes Josh)

JOSH: You think YOU can stop me? (steps up to Jay) You're just a guppy in with the rest of the catch! Can't play with the big boys! (Pushes Jay back)

JAY: Look! I don't like the game you're playin'! If you don't stop, then I'm gonna tell it like it is to Nikki . . . what you're really at! Nikki's a great girl and can do a lot better than bein' with a sleaze like you!

JOSH: Yeah!? Big words from a little boy! Betcha can't say much after this!

Josh quickly punches Jay in the face. Jay falls to the floor. Nikki and the other girls look over shocked from the other side of the room and go back talking excitedly. Jay gets up dazed and attempts to charge Josh, but Billy and the other guy catch him and start to drag him off stage.

BOY: Hey, man! That's it! You're outta here! My brother said if there was any trouble, he'd make sure I'd never have a party here again!

JAY: (looking over shoulder, yelling) YOU'RE SICK, MAN! YOU TURN MY GUTS!!!

Billy and other guy take Jay offstage. Josh stares after them then saunters over to the refreshment table. He takes the baggie out of his pocket and looks over his shoulder towards Nikki who is still talking with the girls. Josh empties the contents of the baggie into a cup of drink and gives it a quick stir. He looks over his shoulder again and takes the drink over to

Nikki.

NIKKI: (turns to face Josh as he approaches) What happened with Jay?

JOSH: (angrily) That scumbucket was getting on my case about going out with you. He started calling you a dirty skank and when he wouldn't give up, I had to clock him one. You're with me and I wasn't having it! (collects himself then smiles at Nikki) But don't mind him . . . Here, have a drink and we'll hang out a little more and then leave.

NIKKI: (smiles adoringly, taking the drink) Okay. God, you're so sweet! (starts drinking from the cup)

Billy and the other guy re-enter and joins the group. Josh takes Dee Dee aside while Nikki starts dancing with the others and continues drinking from the cup.

JOSH: So, did Nikki say anything about me?

DEE DEE: (smiling) Josh, man! Nikki is really into you!

JOSH: Yeah? What did she say?

DEE DEE: Well, she said that she wanted to spend some time alone with you and that you guys are taking off soon.

(Nikki in the background begins to stagger)

JOSH: What else?

DEE DEE: That she's okay with it! I think you should take off now before Jay takes it in his mind to come back and start in on you again . . . I think he might have a thing for Nikki.

(Nikki in the background staggers some more and laughs loudly)

JOSH: Right. Thanks, Dee Dee. Guess I had better take her now . . . she looks like she could use some taking care of (Smiles to himself)

Josh turns around and goes to Nikki who stumbles and falls into his arms

JOSH: Whoa there! I think it's time we head on out . . . what say we go for a little walk before I take you home?

NIKKI: (slightly slurred) Okay, honey . . . I could use a bit of fresh air . . . It think that last drink put me over the top . . . then I just want to lie down . . .

JOSH: I'll make sure you do just that. (Puts arm around Nikki and leads her off stage)

Music comes up as rest of characters continue to dance. Lights fade out. Music fades out.

END OF SCENE

SCENE 5

The Park Dimly lit area with a park bench centre stage.

Josh and Nikki enter. Nikki is leaning against Josh staggering and putting her hand to her head. Josh has a look of determination on his face as he starts manoeuvring Nikki toward the bench and looking around to make sure no one is around.

NIKKI:(dazed and speaking with a slur) That was a fun party . . . Finished too soon though . . . What time is it anyway? Is it cold out? Josh . . . where are we?

Josh sits Nikki down on the bench, steadies her, then gets up and goes forward to have another look around.

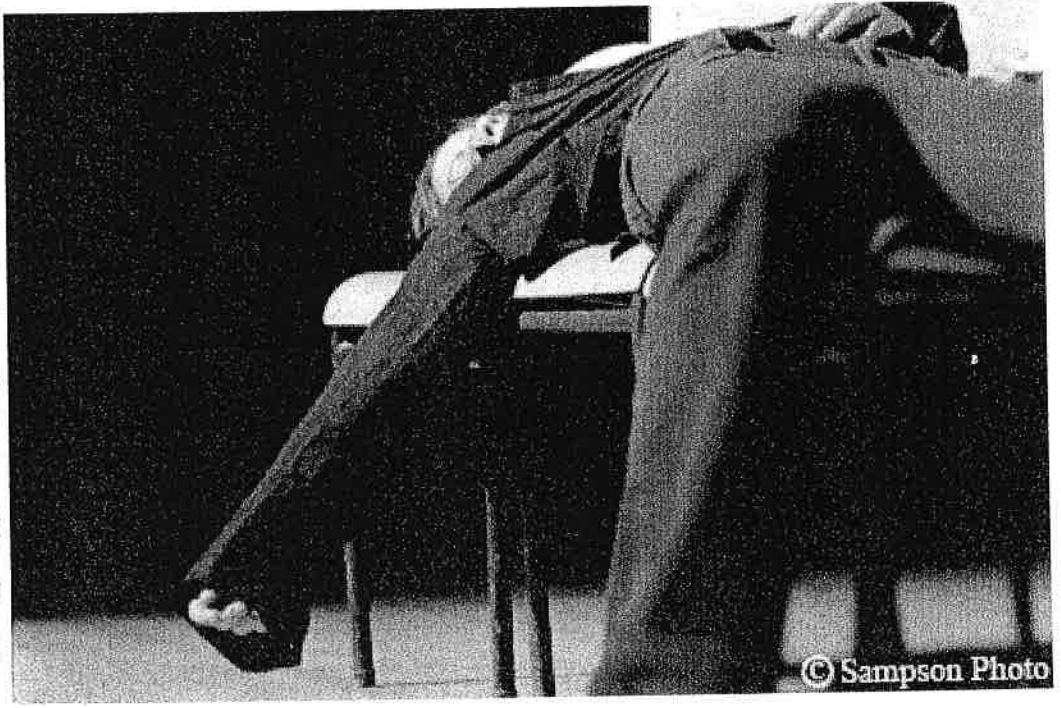

JOSH: We're Just someplace where we can be alone. (satisfied that no one is around, he turns and goes back to the bench and sits down beside Nikki, putting his arm around her) You just had a little too much to drink. Don't worry I'll take care of you.

NIKKI: (beginning to pass out) Oh, Joshy . . . your so sweet . . . I can't believe I got drunk on our first date . . . I'm so sorr . . . (voice trails off as she goes unconscious)

JOSH: That's right, you just close your eyes and let Joshy take care of you . . .

Josh eases Nikki's head down on the bench, Nikki's arm dangles limp over the side. Josh gets up and puts Nikki's feet up on the bench. Josh Looks quickly around again and unzips Nikki's jacket. He takes off his own jacket and slowly moves on top of Nikki as the light slowly fades to black.

Scene 6 The Park. Next morning.

Lights come up. Nikki on the bench with clothes dishevelled begins to wake up. Not realizing where she is, she sits up slowly and looks around. She realizes that her hair and clothes are a mess and begins to sort herself out, all the while she has a feeling of nausea.

Jay enters from the side as if looking for someone. He spots Nikki on the bench and slowly walks over to her.

JAY: My God! Nikki! Where have you been? Why are you sitting here? Have you been out here all night? Your parents said you didn't come home last night and . . . Nikki? (slowly sits on bench away from Nikki and stares at her) Nikki . . . are you okay?

NIKKI: (looks up at Jay and stares with mistrust) I really can't remember how I got here. I just remember being at the party having a drink . . . and then I thought I was on my way home.

JAY: (slowly) Nikki . . . listen, I need you to try and remember who you left the party with.

NIKKI: All I remember is the party and being with Josh ^{and} the girls . . . then you and Josh had that fight. (Sits more upright, accusing) Josh told me what you said.

JAY: (defensive) What I said? (Nikki, frightened, starts to move away) Okay, okay . . . listen to me Nikki. Josh is scum. Whatever he told you is lies and he had other plans up his sleeve.

NIKKI: (confused) What do you mean, up his sleeve? Look, I like Josh a lot, but that still does not tell me how I got here. Did I take off . . . on my own? I feel really sick. (puts hand to mouth and stomach)

JAY: Nikki! Josh is why you are out here . . . Josh wanted you here for a reason. He wanted to have you alone and he made sure you couldn't stop him.

NIKKI: Jay . . . I . . . I don't know what you are trying to get at, but . . .

JAY: Josh took you here to use you. He . . . He put a drug in your drink to make you pass out. Nikki . . . I think Josh . . . raped you.

NIKKI: (shocked, confused) What!?! . . . Jay . . . Josh wouldn't . . . He met my parents . . . we were having a good time at the party . . . Why would he leave me here? . . . He said he'd take care of me. (Horried, begins to fix her clothes more) I remember him saying that . . . but I couldn't see him . . . I was so cold . . . Oh God! (begins to cry)

Jay takes off his hoodie and puts it over Nikki's shoulders.

JAY: Nikki we've got to get you somewhere. You need to get help.

NIKKI: (visibly upset) I don't want to go anywhere . . . I just want to go home. I feel like I really need a shower . . . I really need to get out of these clothes.

JAY: Nikki, I . . . I don't think you should get a shower right yet. We have to get you to the hospital. You might be hurt. If Josh gave you drugs, we've got to find out what he gave you.

NIKKI: (hesitantly) Okay. We'll go? Jay, are you going to take me? I don't want my parents to know yet . . . Oh my God . . . What are they going to say? Jay . . . what did I do?

JAY: (firmly) You didn't do anything. None of this is your fault. (Softly) When we get to the hospital, I'll call your parents and ask them to meet us. We'll let the doctor explain it to them. It'll be okay. Come on, you need to get this over with so you can go home.

Jay helps Nikki stand up and he begins to slowly help her offstage.

NIKKI: Jay, I feel so sick (Jays holds onto her). It feels like I'm gonna puke... I can't believe he could of done this.

JAY: Come on now, don't think about him. He'll have his own troubles to deal with after this morning and he's not worth it. Let's just get you to a safe place.

Nikki and Jay Exit. Lights fade out.

END OF SCENE

Scene 7 [Split Scene- Kitchen and Nikki's Bedroom]

Nikki is in her room on her bed, hugging her knees to her chest and staring at her feet. She has her hair in a ponytail and is wearing her pyjama bottoms and Jay's hoddie. Mr. And Mrs. Robinson are in the kitchen with Jay. Mr. Robinson and Jay are sitting at the kitchen table while Mrs. Robinson fusses with something on the stove.

MR. ROBINSON: Thank you so much for looking for Nikki. I knew something wasn't right with that boy last night. He seemed... just like he wasn't his true self. I'm really glad that Nikki's lying down and resting. (Nikki moves to the fetal position on the bed) She's going to need it after all that she's had to go through last night and today. God that little bugger may get off with hurting Nikki. (Slams table with fist, puts head in hands) Oh, God, my little girl... I should have stayed up and waited.

MRS. ROBINSON: (pouring tea) It's all my fault. I shouldn't have let her go. He seemed so responsible... so sweet... and then he... he... (shaking, she drops the coffee mug and begins to sob).

Mr. Robinson goes to his wife to comfort her, knock at door

JAY: I'll get it (answers the door. Danielle enters)

DANIELLE: Hi, Jay. What are you doing here? I wanted to see if I could talk to Nikki because of the fight we had yesterday... [looks over to Mrs. And Mr. Robinson]. Mrs. Robinson? What's wrong? [scared] Has something happened to Nikki?

JAY: Nikki and Josh were at the party last night. Josh slipped something into Nikki's drink. Then they left and...

DANIELLE: I hope its not what I think it is. Oh my god! Where is she? Is she okay? Oh God, I've got to see her!

MRS. ROBINSON: Oh, my dear, she's up in her room. Go and see her... I think she needs a good friend right now.

Scene shifts to Nikki's bedroom. Soft knock on door and Danielle enters.

DANIELLE: Hi

NIKKI: Hi

DANIELLE: I just came over to see if we could patch things up from yesterday.

NIKKI: A lot of things have happened since yesterday.

DANIELLE: I know. Jay started to tell me in, but I sorta figured out the rest on my own.

NIKKI: I can't believe it happened.. What did I do wrong?... he seemed like a nice guy... What did I do to make him do this?

DANIELLE: [Goes and sits on edge of Nikki's bed. Nikki moves away slightly]. Nikki, you didn't do anything wrong. Guys like Josh don't understand that what they have done is wrong and that it hurts people. They're sick.

NIKKI: You never even been through anything like this. I mean how do you even know what you're talking about?

DANIELLE: Last year I trusted Josh too. We went out for awhile but then I stopped seeing him. Josh tried to force me to do somethings I didn't want to do. I didn't want to do it. I should have told someone 'cause he did it again and he did it to you. I tried to stop you but you didn't listen.

NIKKI: Danielle, I can't believe Josh is doing this. Jay helped me. Danielle, do you want to do anything about it now? You need help.

DANIELLE: God Nikki! Here you are trying to help me and you're the one who was just raped. I mean that happened last year and its done and over with.

NIKKI: If the police have other people who come forward on Josh then well maybe it'll be better for me and you and anyone else he's violated. God he could've done this to more girls in our school and others.

DANIELLE: I'm not sure if I can do it yet.[pauses] I mean I need something to talk to.

NIKKI: I'm here. Danielle I want us to be friends again. 'Cause I need someone close. I mean you understand what it's like. I think this is going to be so hard.

DANIELLE: Yeah, it will. But we've got each other'[pauses] Nikki, why are you wearing Jay's Hoodie?

NIKKI: Shut Up!)Giggle and Hug Each other)

Lights fade to black.
