**Anne S. :** OK.

*(Paul gets in the front, Charlene calls a taxi)*

**Paul :** Airport Taxi here.

**Charlene :** I need a taxi at 92 Edmunds Street.

**Paul :** OK. *(He arrives at her house)* Where to?

**Anne S. :** Northmart.

**Paul :** Ok, put on your seatbelt and no smoking in the car. *(Screeches to a stop)*

**Charlene :** Here's \$20.

**Paul :** Thanks.

**Anne S.:** Let's go get our friends to play too.

**Paul :** That's a good idea. I'll wait here in case someone tries to take the box.

*(Charlene and Anne Stella go into the audience to get Candace and Kelly)*

**Anne S.:** Come and play with us and our new box.

**Candace :** What are we going to do with it?

**Kelly :** Ok! *(She gets into the front of the boat)*

*(Candace gets into the boat too)*

**Kelly :** Life jackets on!

**Candace :** I'm going to put my sunglasses on!

*(All sing "Row, Row, Row your boat")*

**Candace :** Let's stop right here! Do you have your fishing rod Kelly?

**Kelly :** Yes.

*(Candace catches Paul on her line, Kelly catches Anne S.)*

**Candace :** I got you! Wind... wind... wind. That's a nice fish. Now I have to take the hook out.

**Paul :** OW!!

**Candace :** Sorry, fish.

**Anne S.:** She caught me!

**Kelly :** I got one. Now to cut it up!

**Anne S. :** NO!

**Charlene :** I'm a shark.

**Candace :** Row! Row! Row!

*(All scream as shark attacks. Everyone ends up on the floor)*

### **Scene 3**

**Candace :** Let's pretend it's a plane!

*(Candace gets into the pilot's seat)*

**Candace :** Okay, everyone fasten your seatbelts. There will be juices, tea and coffee later and sandwiches and cookies. If we crash, we have parachutes in the back. We will be going to Halifax and Ottawa. We are leaving now.

*(Birds surround the plane)*

**Paul :** We're gonna crash!

**Candace :** Everybody out!

**Charlene :** My seatbelt is stuck!

**Paul :** I will help you! Get your parachute on!

**All :** 1, 2, 3... jump!

*(Everyone crashes on the ground)*

#### **Scene 4**

**Kelly :** Let's pretend it's a time machine!

**Paul :** Who's gonna go first?

**All :** Not me!

**Anne S. :** No.

**Charlene :** What is your name?

**Anne S. :** Dino. What's your name?

**Charlene :** My name is Charlene. Do you have email?

**Paul :** No, it's true. Who's going to go next?

**All :** I'm not going!

**Candace :** Oh my God, that's a long time.

**Paul :** What are you doing here?

**Candace :** I'm looking for my friend Charlene. Did you see her?

**Paul :** No one ever comes here because this is the King and Queen's castle.

**Charlene :** That's because you're a spider.

**Paul :** Yeah, I like leaves.
