Introduction

Narrator V:	Good evening. I am Prince Vincent.
Narrator C:	And I am Prince Cedric. These people here are our family.
Narrator V:	We are twin brothers, the eldest in our family. We are your Narrators for this evening.
Narrator C:	We will tell you a fantastic tale about how we were united with our family after twelve long years in captivity.
Narrator V:	Our father, King Zyrazian and our mother Queen Sybil.
Narrator C:	Our brothers, Prince Theo and Prince Charlie.
Narrator V:	Our sisters, the Princesses Oriena, Flora, Fiona, Roberta
Narrator C:	Cheraya, Maria, Olivia and Ciara
Narrator V:	This is our Butler Sylvester, and Pierre, our cook.
Narrator C:	And here is our Nanny Blanche, and Ethel, our maid.
Narrator V:	This is how the story begins.

Scene 1 - Stolen Babies

Narrator C: It was a few weeks after we were born - that's me , our mother was resting the sky went dark-

Narrator V: Lightening flashed

Narrator C: And an evil dragon cast a spell on our father and stole us away.

Narrator V: Our parents tried everything to get us back but the dragon's power was too strong.

Scene 2 - Royal Family Disappears

Narrator C: One sunny day, many, many years later on a family outing -

Narrator V: Our entire family mysteriously disappeared into the Land of Zanzagar.

Scene 3 - Dragon becomes Queen

Dragon: Oh, how long I have waited to become a Queen and now I will be one.
A Queen with a whole family, but first I must get rid of the King and Queen and the servants.
Slaves, bring me the King and Queen.
I said Slaves, bring me the King and Queen. Oh, the slaves you get these days!
Mwahhaahaa Monkey Face - you are going to the Tower.
Vulture, Crow - Take him away!!!
Finally, the King is gone
And you dear Queen – poof — I banish you to the forest.
Gone with you! Bye bye fly away or your little tail feathers will be burned.
Good riddance!
And now only one more change — me ---- time to become a beautiful Queen.
Poof Poof -

Scene 4 - Princesses Become Goblins

Narrator C: Life as a Queen mother with all those Princesses was a lot more difficult than the evil Queen could have ever imagined.

Narrator V: And one day she lost her temper, because the Princesses were being, well Princesses.

Princess Oriena: Gimme that pearl!

Princess Flora: No, it's mine!

Princess Fiona: No, since I am the oldest, I happen to know that mother gave me that pearl for my 10th birthday!

Princess Roberta: Those are my silver earrings you are wearing!

Princess Cheraya: Oh no, they're not, they're mine!

Princess Maria: Stop fighting - you're giving me a headache!

Princess Olivia: That's my pink blush you're putting on.

Princess Maria: Well, you wore my shoes yesterday.

Princess Ciara: Yah, and like yesterday someone used my new lipstick.

Princess Oriena: I'm going to wear the blue eyeliner and the emerald earrings.

Princess Flora: I want the emerald earrings!

Princess Fiona: Well, then I get the two gold rings, the pink blush and the little crown.

Princess Roberta: That's what I wanted, so you can't.

Princess Fiona: It looks better on me!

Princess Cheraya: Well, I don't even need make up - I'm pretty enough as it is.

Princess Maria: I'm prettier, and look, doesn't this look good on me? (*Holds out dress*)

Princess Olivia: I want that dress!

Princess Maria: You always want something!

Princess Ciara: When I'm Queen I'll get all the make up, jewellery, and dresses.

Princess Oriena: You!! A Queen, ha!

Dragon Q: What's all the racket? You are acting like a bunch of goblins!
Goblins!

Scene 5 - Princes Miss Their Sisters

Narrator C: With the Princesses acting like Goblins.

Narrator V: The Queen thought she'd try out the ancient beauty test.

Dragon Q: Magic Ball, Magic Ball, who is the fairest of them all?

Magic Ball: *(voice offstage)* Well, because the Princesses are Goblins now, I guess you are.

Dragon Q: What! Say that again?

Magic Ball: Yes, I know, You? Fairest in the land? Shocking isn't it?

Dragon Q: No, no I mean before that.

Magic Ball: The Princesses are Goblins.

Dragon Q: What? But how?

Magic Ball: Well, you must have turned them into Goblins when you yelled at them.

Dragon Q: Oh no! My powers! I forgot all about them!

Magic Ball: Look at the bright side, now you're the fairest in all the land.

Dragon Q: Yes — oh well, at least I haven't lost my evil touch.
I guess I'll have to put them in the Tower.

No one must know what I have done.
(*she looks at Magic Ball*) And I guess I don't need you anymore!
(*She throws ball offstage*)

Magic Ball: Whhhhaaaaa----- heeeelllp!

Prince T: Hello, stepmother. Did you lose this?

Dragon Q: Oh no, it's a present for you What do you want?

Prince Ch: I miss our sisters. Have you seen our dear sisters, stepmother?

Dragon Q: Oh yes, they went picking flowers in the woods.

Prince T: But it's dark out.

Dragon Q: They wanted to pick some special night flowers. I must go off to bed.

Prince Ch: That sure sounds funny to me.

Prince T: Yah, me too. We better go look for them. I'm sure they're in trouble.

Prince Ch: Even with all their bickering and dressing up - I guess we have to go save them.

Prince T: You know we have to save them, plus we're sure to get a reward if we do.

Scene 6 - Princes Meet Blue Bird

Narrator V: So, the Princes went into the woods and just when they thought they were lost forever.

Narrator C: They came across a pretty little Blue Bird.

Prince T: I think we're lost.

Prince Ch: We'll never find our sisters.

(*Blue Bird makes a sound*)

Prince T: Shhhhh. Did you hear that?

Prince Ch: What was it?

(Blue Bird makes another sound)

Prince T: Oh look a birdy!

Prince Ch: Wow! Amazing!

Bluebird: Why are you here?

Prince T: We are here to see if we can save our sisters, the Princesses

Prince Ch: They have disappeared and we think our stepmother sent them into the forest.

Bluebird: Your sisters are not in this forest, but they are in danger. I cannot tell you where they are, but I can tell you what path to follow. This is your quest and you will come across a Bear, a Troll and a Centaur which you alone will have to overcome. Each time you overcome an obstacle you will get one step closer to finding your sisters. Go North.

Prince T: Thank you. Which way is North?

Prince Ch: Thank you for your kindness.

Bluebird: Good Luck

Narrator V: So the Blue Bird told them all she could.

Narrator C: And sent them on their way deeper into the forest.

Scene 7 - Princes meet Bear

Prince T: Now where do you think that bear is?

Prince Ch: Do you think he'll be ----

Bear: Grrrrr! Rrooaarr!!

Prince T: What did he say?

Prince Ch: I don't know I don't speak bear.

Prince T: Me neither.

Bear: Rroooooaarrrr!

Prince Ch: Oh jeez!

Prince T: Do you have any cheese? Maybe he likes cheese?

Bear: Rrrrrroooooaarrrr!

Prince Ch: We're doomed.

Prince T: Wait! We have swords. Come on.

(They fight)

Prince Ch: Ohhh - we hurt him.

Prince T: He's a Bear—

Prince Ch: But, he's crying - we've got to help him.

Butler: You saved me. Thank you.

Prince T: Oh, it's Sylvester.

Prince Ch: Are you alright? Did we hurt you?

Butler: I am fine. Your kindness broke the spell of the Wicked Dragon.
You must go on and finish your quest.

Scene 8 - Princes Meet Troll

Narrator C: So on the Princes went until they came to a cave.

Narrator V: It was a dark smelly cave - home of the Troll.

Prince T: Are you in there, Troll?

Prince Ch: Come out Troll. We are not afraid of you!

Troll: Well you should be because I will eat you for my supper if you cannot answer my three riddles. No one passes by my cave without answering my three riddles correctly. *(He opens a riddle book)*

Prince T: Riddles? You mean we don't have to fight you?

Troll: No, of course not. Now I'm hungry, so let's get on with it.

1. I am only one colour, but not one size
Though I am chained to the earth
I can easily fly
I appear in the sun, but not in the rain
I do no harm, I feel no pain - What am I?

Prince T: Umm-

Prince Ch: Why that's easy - a Shadow.

Troll: Oh, so you are as smart as you are tasty. Good.

2. I am a suit no man may wear, neither peasant nor King
Yet no man leaves without me
All may touch when I am soft, none when I am stone
Lose me and you will falter
Yet, if I am taken you will find courage anew.
What am I?

Prince T: No man leaves without me.

Troll: What's your guess?

Prince T: Lose me and you will falter ohhhhh - I've got it - it's a Heart!

Troll: Ah now the last one - I still want my supper.

3. You throw away the outside
Then you cook the inside
Then you eat the outside
And throw away the inside - What am I?

Prince T: It's your turn.

Prince Ch: Oh----- Oh ----- this one is hard. We're doomed.

Troll: Hurry - I am hungry. I can imagine how tender and juicy and tasty you will be.

Prince Ch: What? Tasty? Us? Oh— oh ----

Prince T: *(Does a corn cob eating motion)*

Prince Ch: Ummm — It's corn on the cob!!

Prince T: Look, it's dear Pierre.

Narrator C: Ya, and good thing for us, too. Now they have to duel the Centaur.

Narrator V: You will see how the Princes did.

Prince T: Guess we better get our swords ready for the dual.

Prince Ch: Yah - but it can't be too bad fighting a Centaur- he only has two arms.

Prince T: Alright, he's supposed to be around here somewhere—

(Centaur comes out step dancing)

Prince Ch: What's that?

Prince T: I think that's the Centaur.

Prince Ch: Is he like— dancing?

Prince T: Looks like it to me.

Centaur: Oh, hello. We were just practicing.

Prince Ch: We?

Centaur: Yeah. Both of us - I'm front - *front waves* - and back - *back wiggles*.

Prince T: What were you practicing?

Centaur: Oh, didn't you know? You are here for a dancing dual. Haaaa haa!

Prince Ch: You're laughing — so it's a joke ---- right?

Centaur: Ahhh haaa hhaaaa NO! If you can out dance us we don't have to kick you to death.

Prince T: (*sarcastically*) Oh— great---- getting trampled by you guys sounds like fun

Centaur: Well, let's get going - our feet are hopping and ready.

Prince Ch: Wait, how do we know who wins?

Centaur: You do some moves - if we can't do them - you win. Then we get to show you some moves, if you can't do them - we win.

Prince T: Okay - so we go first?

(*Princes dance – Centaur dances; Centaur dances - Princes dance*)

Centaur: Oh, a tie - I love it. Haahahhaaa.

(*Princes dance - breakdance move - Centaur falls over/trips up*)

Prince Ch: Hey – wow — we won.

Centaur: Okay, okay - you won but you're not free to go - now we have to teach you a dance.

Prince T: No way - we're sick of dancing. And we won.

Centaur: Well, too bad - 'cause you'll never see your sisters again without our help.

Prince Ch: Okay, if you put it that way. I guess you better teach us the dance.

Scene 10 - Princes Find Their Sisters

Narrator C: And so the Princes learned the dance and off they went to the Tower.

Narrator V: How did that dance go?

Maid: I'm so glad they learned that dance, I was getting tired of being a backend!

Nanny: Well, what about me - that wasn't a piece of cake.

Maid: Ohh - cake - cake and tea - we haven't had any for so long.

Prince T: Oh look there's the Tower

Prince Ch: Where's the door?

Prince T: I can't see one - how are we -----

Prince Ch: Hey - we're in the Tower

Prince T: Okay - so where are our sisters?

Prince Ch: Oh look ---- Are you our sisters?

Prince T: Yikes - well let's get dancing and see if the Centaur was right.

Princess Oriena: Ohhh look - the Monkey wants to try the dance.

(Everybody does the dance again - Monkey makes a mistake and turns into a Chihuahua)
(Everybody does the dance again - Monkey turns into the King)

Scene 11 - King Tells Them About Their Mother

Narrator C: As you can see there was much happiness.

Narrator V: But they still had to find our mother.

King Zyrazian: Thank you my dear brave sons. Now we must find your mother and when she sees us - her spell will be broken.

Princess Flora: Oh father — where is she? Is she alright?

King Zyrazian: Oh yes - she is well - she is a beautiful Blue Bird living in the forest

Prince T: Hey, we saw a Bluebird in the forest. That must have been her.

Prince Ch: Oh, yeah and she even talked to us.

All: Hurry ---- Quickly ---- Let's go find her -----

Scene 12 - The Dragon is Slain

Narrator V: They found the Blue Bird and the whole family was united
