Scene 1

Ricki is walking home when a news reporter stops him for an interview. Curtains are still closed and they are stood in front of the curtain.

Reporter: Mr. Sanchez, how does it feel to be the first teenager to land on the moon? What was it like?

Ricki: First of all, the trip was wicked, saw some UFO's, and landed on the moon.... But the thing I liked the most was the view. The open image of earth got me thinking, right there, on that piece of land called Newfoundland and Labrador, I began all of this. Absorbing everything and thinking about what's going on around me, helped get me up here. Yenno? That's when I thought, next time, I should monkey around down there. So the next time you hears from me I'll be setting off on a new adventure exploring the land, particularly uninhabited islands off the coast of Labrador. If you'll excuse me, my family is waiting.

Reporter: Well, thank you for that great insight. And good luck in your next adventure. This is Katheryn Worthman reporting live from the Lawrence O'Brien Auditorium in Goose Bay Labrador. Back to you Debbie.

Curtains open after the interview and Ricki walks into the scene of his house. Ricki opens the door to his house.

Ricki: I'm back! (*Hugs*)

Father: Did you put my shingles back?

Ricky: They...ahhhh...kinda burned up in re-entry.

Sound of a toilet flushing then Mark walks onstage seeing Ricki hugging his family.

Ricki: Mark!

Mark: Ricki!

Music starts and a slow motion run to each other that ends in a hug.

Scene 2

Mark and Ricki are sitting down.

Mark: Ricki, I love you.

Ricki: I love you too Mark.

Ricki: Okay. Anyways, what did you do while I was gone?

Mark: Sat down, got your mom to make me some mac and cheese.

Ricki: That's cool. Did you know that Canadians eat the most mac and cheese than anyone else in the world?

Mark: You're craaaazy! Whatcha gonna do next Rick? Fly to Uranus?

Ricki: Well, kind of, yeah, except I'm not gonna be flying, nor going to Uranus, I think I'll sail away to a faraway land.

Mark: Yah...I saw you on the news about that. So what is the plan?

Ricki: I 'm going to sail around uninhabited islands off the coast of Labrador and gather up any information I can.

Mark: Like Leaf Henderson?

Ricki: No, not like Leif **Eriksson** at all, I'm gonna build a ship like I built Alice, then I'm gonna buy some maps off of a retired sailor and chart my way to a wicked cool land of untold legends, where dragons soar, and unicorns roam.

Mark: I got an uncle named Pablo Prinko who's old as the hills; maybe he has some charts.

Ricki: You should ask him if we could use them. You go get the charts, and I'll go gather up some parts for the boat.

They walk off and come back on.

Ricki: I got the parts, is that your uncle? *(Uncle waves)* Very good then.

Mark: He's going with you.

Ricki: Okay. He will teach me the way of the water.

Mark: Cool! Teach.

Pablo: Here are your charts and maps.

Ricki: We're ready to get started! **HOORAY!**

Scene 3

Mark and Ricki are working on the boat. Mark turns to Ricki.

Mark: Man you don't look so good. You are looking a bit green.

Ricki: I think I better go lie down.

Mark goes to Pablo.

Mark: Ricki's sick man, he has this new flu called R2D2 Flu. We should give the ultimate get-well gift. Da BOAT!!

Pablo: Yes senior.

Mark: I am not a Senior I am your nephew. Come on grab those wrenches.

28 days later. Curtains open and Mark and Pablo are stood next to Ricki in his bed with their hats are off. Sad Music Playing They go and work at the boat on the other side of the stage with California Blues by Roy Orbison playing. They walk back into Ricki's room and take their hats off. Ricki is on the side of the bed getting dressed.

Pablo: Come on Rickardo we got a surprise for you.

Ricki: Whaaaaaaaaaaaaaaaaaaaaaat?

Mark: Come outside Ricki! *(As they're walking outside)* Pablo and I know you've really been looking forward to going on that voyage before you got sick. After a few

days without you we decided to do something extreme for you.

Light shines on a bus (cardboard) that says "Extreme Makeover Boat Edition"

Mark: Its time... MOVE THAT BUS!

Someone pushes the bus offstage and behind is the boat all ready to be sailed in.

Ricki: *(Hands on his cheeks)* AHHHHHHHHHHHMAHGAAAHHHH!

Mark and Pablo hug Ricki and say they love him then run behind the boat. So now the boat is made and they are ready to set sail. Mark and Ricki and Pablo are standing next to the boat on a beach.

Mark: Ricki, I'm so proud of you, for pushing yourself through the R2D2 Flu, and continuing your adventure.

Ricki: Mark... I have something to tell you.

Mark: What is it?

Ricki: You're coming with me. *(pulls out a sailor hat from behind his back)*

Mark: Ohmygoshhhhhh, is this real.

Ricki: Yes Mark, all of this is real.

Pablo: Can I come too?

Ricki: Okay but we are not responsible for you. If you fall overboard, we are not going back for you.

Pablo: Se' Seno'r.

Ricki: Let's g-g-g-g-g-go!

They all get into the boat and sail offstage (drag it offstage while they're behind it)

Mark: Have we got everything?

Ricki: Gas?
Mark: Check!
Ricki: Maps?
Mark: Check!
Ricki: Lifejacket?
Mark: Check!
Ricki: And were off!!

Scene 4

Mark: We're here!
Ricki: Yay!
Pablo: Se' Senor' Pablo Prinko sleepy.
Ricki: Oh yeah, you're like... old. Mark, you go explore, I'll stay here and make Pablo a bed.

Mark runs off and Ricki lays down a pillow or little bed for Pablo then takes off his coat.

Pablo: Gracias Senor'.

While taking Pablo's coat off, a rolled up piece of paper falls out of Pablo's coat pocket but Ricki doesn't notice until about 5 or 10 seconds later.

Ricki: What's this?

He picks up the paper and Mark comes back running.

Mark: Look what I found. *(Holds up a skull with a pirate hat on it)*

Ricki: Wow, that's neat, but look at this, I found it right there. (*Holds up the paper and points to where he found it.*)

Mark: This is so interesting, maybe we could sell this on ebay or something.

Ricki: Mark, I don't know about this. Where did you find that?

Mark: Over that hill next to a shovel sticking out of the beach sand with a sword stuck through the rest of the skull's body.

Ricki: Well, that ain't that unusual, but, you know where I found this? RIGHT THERE (*points to where he found it again and then unfolds the paper*) Hey Mark, it has an 'X' on it, like a treasure map!

They stare at each other for a brief second.

Ricki: Are you thinking what I'm thinking?

Mark: You need to pee too!

Ricki: NO man.

They look at Pablo.

Together: Pablo's a Pirate!

Dun Dun Dun Music

Pablo: Se' Senior' I am a pirate. Took you two bozos long enough to figure it out.

Mark: Does Aunt Flo know?

Pablo: Why do you think she married me. May she rest in peace.

Ricki: How old are you?

Captain Peg: A hundred years older than you sonny.

Pablo screams like a girl.

Mark/Ricky: Who are you?

Captain Peg: I'm your worst *nightmare*.

Mark: You're not my mom!!

Moe: You don't know who Captain Peg is? She is the most vicious pirate to ever roam the seas.

Igor: And the bathroom...

Moe: She has gone through many adventures, fighting off skeletons, stealing others treasure, taking over other pirate ships...

Igor: And also finding her false teeth...

Mole: She is brave, bold, nothing can stand in her way!

Igor: Except prune juice.

Captain Peg: Pablo, I have been counting down the days until you would show your face her again.

Mark: Uncle Pablo, how do you know these ...these...people?

Pablo: A long time ago we pirated these waters together. We made a lot of money. Until, someone got greedy.

Captain Peg: It's not greed, it's survival.

Ricki: Enough with the tearful reunion; what's with this map?

Pablo: That map was the only key to regain my friendship with Captain Peg. Without this map, I would have never gotten here with you youngsters.

Ricki: So you just want to be friends with them?

Pablo: Se'.

Igor: This is so sad.

Mark: Almost as sad as when I ate all of the mac and cheese...

Captain Peg: Pablo, I never thought you felt this way about me.

Pablo: I've always felt this way about you.

Captain Peg: I love you Pablo.

Pablo: I love you Peggy.

Ricki: *(slaps Pablo in the back of the head)* What are you doing, she's the bad guy!

Mark takes the map and sneaks away. Igor sees Mark and follows him.

Pablo: Ricki, I never told you and little Mark yet, but in my house.

Ricki: You mean Mark's basement?

Pablo: In my basement, I've conducted experiments about love and groovyness.

Captain Peg: Wait, where's Igor?

Ricki: Where's Mark?

Scene 5

Mark and Igor are standing next to a shovel and sword sticking out of the ground and a chest.

Igor: Mark, this is the best thing I've ever done in my 66 year old life.

Mark: This is the best thing I've did in my 10 year old life, now, let's crack this baby open. *(They grab the shovel and open the chest.)* o-m-g.

Pablo, Captain Peg, and Ricki come on stage

Pablo: O-m-taco.

Ricki: Oh my.....

Scene 6

Mark, Pablo, Captain Peg, Ricki, and Igor are back on the beach.

Ricki: It's been fun meeting you guys... But it's time for me and Pablo and Mark to leave now.

Pablo: Ricki, me and Peggy Weggy were talking for a while, and she's coming with me to live in my basement.

Ricki: Fine, I'm not responsible for you anyways.

Mark: Ricki, I have something to tell you too.

Ricki: What Mark?

Mark: I'm going to stay here with Igor and live in the woods.

Ricki: *Is this real?*

Mark: Yes, all of this is real Ricki.

Ricki: Mark... I'm gonna build a monument made of mac and cheese in memory of our childhood memories and friendship.

Mark and Ricki hug and Mark starts crying. Pablo starts crying. Everyone but Mark and Igor get into the boat.

Captain Peg: Bye Igor!

Ricki: Bye Mark!

Mark: Bye Ricki.

Sailing by Christopher Cross comes on as they sail away (If the boat can)

Narrator: After many days of sailing at sea, due to them forgetting the charts, everyone but Ricki got scurvy, and lost their fingers. Mark soon became a famous pirate and now boards ships and sells them illegally. Igor and Mark adopted a monkey, and

Ricki, Pablo, and Captain Peg eventually grounded on the shores of their town. Ricki went home and built a mac and cheese statue in remembrance of Mark. Pablo and Captain Peg moved into Mark's basement, and took Mark's room.

The End
