In a dark room in Duckington Palace, Dark wing tells his story about the rivalry between him and the Ele Duck's.

DarkWing Old: This is the story of how the Ele ducks **betrayed** me. *MWAHAHAHA*. I wasn't always evil, I was a young duck and niece like you. They made me believe that I could help save the world and then they decided to let a duck in a wheelchair join a team of super ducks – Who can fight crime in a wheelchair??? No one ABSOLUTELY NO ONE. So that is why I left, we were a team and they humiliated me by letting a duck in a wheelchair fight crime. SO NOW, I am going to show them that a wheelchair duck cannot fight a Dark wing like me!

Dark Wing Young: The town of Duckington Palace will no longer be a town MWAHAHA. There will no longer be a team of Ele Ducks once I am finished with them. I have created in my evil lab of **DOOM** a way of knocking them down, duck by duck. I will play with their powers and use it against them, they are no match for me, Dark Wing on the **Duck** Side.

Mayor: Ele ducks we need your help. Dark wing is taking over the town, he is planning to destroy everything and everyone in its path to get to you. Please Ele Ducks, we need you! Right this instant don't be late

Golden Eye: What is his motive? What is the Dark Wing trying to prove?
Diver: DarkWing used to use his powers for good, why is he doing this??

Mayor: The result of his actions are unknown at the moment, your first task is to figure out why he is destroying the town.

All ducks: Were on the way!
All Ducks go to position

Dark Wing: Now he is captured!! Who is next to face my wrath??

Scout: You are no match for my air power, you devilish duck!

Dark Wing: *Dark wing flies towards Scout* Dark wing throws ice blocks at Scout and Scout dodges then, gets hit and becomes frozen and teleports to Darkwings layer

Dark Wing: Your no match, just like the rest of the ducks

Golden Eye: You will see about that *throws fire at Dark Wing*

Dark Wing: Dark wing then throws water balls at Golden Eye and captures him, teleports to layer.

Bally: You might have got the rest of them, but, I am not going down easily

Dark Wing: You will see about that Bally, I didn;t like you anyway. You were just a pain in my left wing.

Throws steel ball at him, teleports to layer

Dark Wing: They are no match for me, MWAHAHAHA i CANNOT WAIT TO DESTROY THEM in my Lab of doom

*Scene: Mayor is on the tv screen talking about how the Ele ducks are trapped**
